FOOTBALL NSW STATE AWARD

Michael Sestanovich – Manly Vale Football Club

Michael has been a huge contributor to the Manly Warringah Football Association where he has held many roles with both the MWFA and the Manly Vale Football Club.

Michael first became involved in football when he played for Manly Vale Football Club as a 6-year-old and is still a registered player with Manly Vale in the Over 35 competition.

As a young man he played representative football with both Apia & Manly Warringah. He had great success at Apia in their youth league sides winning the NSW Championship before moving to Manly Warringah for his senior football including a number of years as part of the First Grade squad..

After finishing his representative career, Michael returned Manly Vale Football Club where he played Premier League until 2008 and still plays Over 35 football in 2019.

Michael was Manly Vale Premier League Coach in 2009, 2020 and 2011 and spent countless years and hours coaching his two children (Lara and Daniel) as well as wife (Lee-Anne), under the Manly Vale badge.

In 2009, Michael was awarded the MWFA Meritorious Service Award, having previously won the 2002 Manly Vale Clubman of the Year Award.

Off the field, Michael has spent time on committees of both Manly Warringah Football Association and Manly Vale Football Club.

He has been a Committee member at Manly Vale for more than 20 years, previously in the positions of President and Coaching Director and currently as Competition Secretary and Gear Steward. He also helps out where required attending all club presentation days to assist set-up/pack down and the handout of trophies. Over the years Manly Vale has been trying to elevate its processes and objectives to a more professional and efficient standard, through this process Michael offers wise counsel and assistance when required. Overall he is an outstanding club member and when not playing or coaching will be seen watching a Manly Vale game.

Michael is also a current member of the MWFA Competitions Committee and the General-Purpose Tribunal (GPT).

Michael's contribution to football on the Northern Beaches has been outstanding and MWFA strongly believes his contribution deserves recognition with the Football NSW State Award.

MWFA LIFE MEMBER AWARD

Ed Neill – MWFA Life Member

Ed Neil's involvement with MWFA dates back over 33 years. His proud achievements started with the Wakehurst Football Club when he first coached his son's team back in 1985 under7's. Ed served as President for 5 years from 1989-1993 and as Registrar for 6 years 1995-2000.

As President, he was a mover and shaker in the proposal to turn the road corridor at Hew's Parade into playing fields. He put a lot of work into this to get Wakehurst a home. Although this was eventually defeated by the residents, Hew's Parade became Wakehurst's Sub-Junior ground in 1991 and in 1992 the Car Park was built and in 1993 the present Canteen/Storage building was completed.

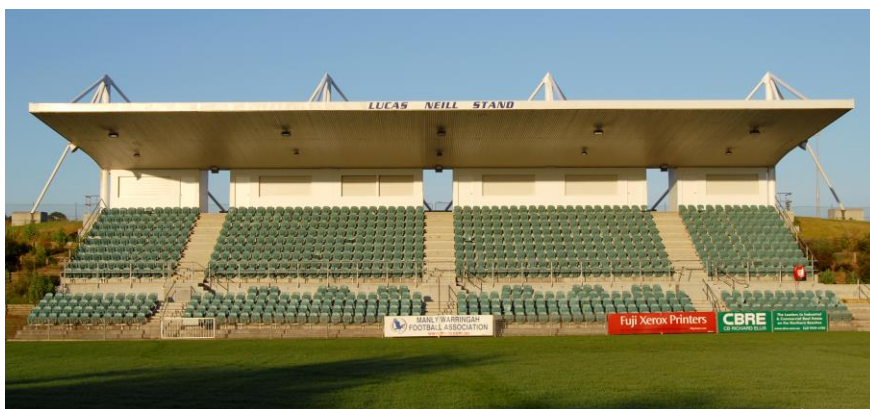

Both Ed and Col Pithis worked tirelessly to get this done. During his tenure the demountable building was put at Lionel Watts as a Club Canteen and Meeting place. During these times, Ed continued the tradition of opening his house on Friday nights for Coaches and Managers to collect information and socialize to give a true Club spirit. Ed Neil was awarded Life Membership of Wakehurst Football Club in 1997.

Manly Warringah Football Association- Ed's time at Wakehurst was inter-twined with MWFA. From approximately 1990, Ed developed a computerized Registration System for MWFA and its Clubs. Ed maintained this program for the Association and its Clubs until the introduction of "My Football Club" in 2006. In 1997, he also developed a system to assist the Referee's with 'payments for games covered' and in 2000, he incorporated the MWFA System into 'i-sport' which remained in place until the introduction of 'My Football Club' in 2006.

Ed served on the Management Committee in 1992 and 1993 as Vice-President of Sub Juniors. He was also honoured with the MWFA Meritorious Award in 2004.

Ed's involvement and passion for the Appeals Committee is legendary dating back to 1996, giving 22 years and the last 8yrs as Chairman.

In 2015, Ed was awarded a 'Football NSW State Award' for services to football. This award was in recognition of his tireless efforts and services to football in their local community. This State Award formally recognizes individuals who have provided consistent and valuable service at the club or association level.

PRESIDENT'S REPORT

Congratulations to all of us - We are No. 1 in NSW

The Manly Warringah Football Association was officially recognized by Football NSW as the biggest association in NSW in 2019.

It was the first time the MWFA had been the largest football association in NSW and was a ringing endorsement for all players, coaches, officials, volunteers and parents who make up our football community on the Northern Beaches.

The official figures for the 2019 season saw 18,406 registered players in the winter competitions with more than 6,500 also playing in registered Summer Soccer competitions run by MWFA clubs.

When we add the 502 players registered to play football for Manly United and MWFA representative teams from the age of 9 through to the senior men's and women's teams, there is now almost 19,000 registered winter participants.

The season started with an Over 35 / Over 45 event at Cromer Park to raise money for one of our participants, Richard Tombs, who suffered a serious spinal injury in an Over 35s match in 2018. The day raised almost \$100,000 for Richard and his family and highlighted the sense of community that is strong within the MWFA.

Congratulations to Curl Curl Football Club for winning the Men's Grand Final, Brookvale for the winning the MWFA Men's Premier League Premiership, Manly Vale for claiming the Women's Premier League Premiership and Beacon Hill for taking out the Women's PL Grand Final.

Congratulations to Belrose Terrey Hills, Harbord Seaside United and Manly Vale for winning promotion to the expanded Men's Premier League in 2020 with Manly Vale claiming its place following a 1-0 win over Dee Why in the first MWFA Playoff match.

Congratulations also to Belrose Terrey Hills and Pittwater for winning the respective AL1 and WAL1 competitions and Seaforth PL and Manly Vale WPL for taking out the MWFA Challenge Finals.

The CCC Program continued to grow with 13 clubs taking part in the program. 2019 saw the MWFA invest back into the CCC Clubs through reimbursement of money for putting CCC's through a C Licence or through the purchase of equipment.

The CCC continues to drive the MWFA and Clubs' strategy to ensure more young players are able to play under a quality coaching environment that increases enjoyment and learning.

The 2019 season saw the introduction of a new Registration system through Football Federation Australia, Play Football, which had challenges and the work of the MWFA and Club Registrars in getting all players onto the field should be applauded.

Facilities improvements also continued in 2019 with two new synthetic fields at Lionel Watts opening towards the back end of the season. That now brings the number of synthetic pitches on the Northern Beaches to seven.

Special thanks must go to Belrose Terrey Hills Football Club and Forest Killarney Football Club for this assistance in working with the MWFA to ensure the disruption to Wakehurst was minimized during the construction of the fields.

The synthetic project will continue into the future with Northern Beaches Council already making announcements that the next project will take place at Millers Reserve with Careel Bay put forward as a suggested option following Millers.

Off the field, the MWFA also took some important steps forward in 2019.

The MWFA formally changed its company status from an Incorporated Association to a Company Limited by Guarantee. This 18 month process was instigated by the NSW Office of Fair Trading as the MWFA had passed the threshold in terms of turnover and assets.

The MWFA joined with the Manly Warringah District Soccer Football Club (MWDSFC) and Manly United to receive a \$500,000 Federal Government grant to assist with the much-needed upgrade of the Cromer Park Clubhouse and administration building.

The Federal Government grant, driven by the Federal Member for Murrumbidgee Mr Jason Falinski MP, was boosted by funding from the MWFA, MWDSFC and Manly United to put together a package that will allow a \$1.8 million redevelopment of the facility.

The development of the Clubhouse will continue the drive to increase use of Cromer Park for the grassroots clubs – on and off the field. Once completed, the new Clubhouse will also provide opportunity for clubs to hold fundraising functions to further drive revenue for grassroots clubs.

2019 saw the evolution of the MWFA Men's Premier League Match of the Round at Cromer Park with the reserve grade game also played on a Saturday night. The MWFA also increased the number of local grassroots matches played on Cromer Park 1 and 2 to ensure the facility is truly available to all players.

The MWFA AYL teams performed well in 2019. The U13 team took out the Premiership and lost a tense Grand Final while the U5 and U16 teams also made the semi finals. The AYL programs continues to improve with players already taking the step from AYL to Boys Youth League.

The MWFA once again hosted all Grand Finals at Cromer Park with every MWFA competition decided at Cromer Park over the three days. The excitement everyone from the U12s through to the Over 45s – men and women – has by playing a Grand Final as part of an event at one venue is something we should be proud of.

A huge thank you to the dedicated MWFA staff for their hard work to allow 18,406 people to enjoy their football on a weekly basis. To Lee-Anne Sestanovich, Karon Saunders, Angela Crandell, Eugene Lawrenz and Sigrid Mulherin (MWFA), thank you for your work throughout the year.

The MWFA would also like to acknowledge the work of the Manly United staff in supporting the MWFA staff and functions and keeping the entire Northern Beaches eco-system at the centre of all decisions to ensure unity drives the future prosperity and growth of the sport.

We would like to acknowledge the MWFA, led by President Toby Williams. The MWFA and MWFA had a close relationship in 2019 and that will continue into the future as we work towards joint initiatives to help grow the referee base.

A special thanks to the members of the Executive and Management Committees and all of the various committees and panels that help MWFA regulate the competitions and put in a lot of hours.

The greatest recognition must go to the volunteers at our 17 Member Clubs and the MWFA that are the fabric of our sport. From Club Presidents to the groundsmen, BBQ helpers to Committee Members; 18,046 people would not be able to play each weekend without your tireless dedication and efforts.

Thanks to all for a great 2019 and we look forward to making further strides forward in 2020.

MERITORIOUS SERVICE AWARDS

Caroline Hodges – Manly Vale FC

Caroline Hodges has been an incredible contributor to Manly Vale Football Club over the past ten plus years. As the daughter of former Manly Vale President, PL coach and player Les Cratchley it was almost inevitable that she would be brought up in the Manly Vale club family. After marrying David Hodges she spent many hours at the club with children Surrey, Lucy and Daniel and was a team Manager. In 2006 when Connie decided to handover Caroline already a committee member volunteered to take over the running of the canteen and assisted by David has grown the Manly Vale Canteen into a vibrant hub of the clubs activity over the weekend.

Ensuring it is staffed across both days and stocked with tempting fare for old and young the canteen has continued to set the benchmark across MWFA. Just as importantly for the club is that the canteen has grown in the funding contribution it has made to the clubs finances and continues to be the major source of funding after playing fees. Caroline has been a staunch member of the Manly Vale Committee for the last twenty years and continues to be a bastion of the clubs family and community spirit. Manly Vale FC is very fortunate to have the contribution of Caroline and her family and is proud to nominate her for the MWFA Meritorious Service award.

Keith Wainwright – Manly Vale FC

Keith Wainwright is the longest serving member of the Manly Vale Football club indeed he is the only member that was involved with the club during its previous incarnation as Brookvale, it became Manly Vale in 1961. The Wainwright family had a large influence on the club, with father Ted a coach for several years and 4 brothers all playing for the Club. John and Keith were both to have a hand in running the Club, John as President and Keith as Premier League Coach. Although Keith went on to represent the District and Area in rep teams he always returned to Manly Vale. As he aged he became more involved in lower division teams and was a key organiser of the Sunday Summer masters and its move into the MWFA family.

For the past 10 years Keith has been the patron of Manly Vale FC. He has recently been coaching a number of Manly Vale Women's teams as well as helping develop the skills of his grandchildren. Keith is passionate in his recollection of the club and areas football history and will happily engage with anyone on his this his favourite topic. Manly Vale FC is very fortunate to have the contribution of Keith and is proud to nominate him for the MWFA Meritorious Service award.

Neil Blundell – Manly Vale FC

Neil Blundell has been a key contributor to the football and committee of Manly Vale FC for over ten years. As a young footballer he represented Auburn & Blacktown City. After moving into the area he joined our strong AL4 team and then was a pioneer of our early Over 35 and 45 teams. He also took up coaching junior teams with an approach that always encouraged effort and development rather than results.

He has twice stepped into Assistant Manager Roles for our PL squads. For the last 10 years Neil has been managing the Over 35/45 Senior Men's teams and has grown the participation to 6 teams, actively involved in the clubs committee he has always been a willing contributor to the clubs progress. He is also currently coaching our under 16/1 team. Manly Vale FC is very fortunate to have the contribution of Neil and is proud to nominate him for the MWFA Meritorious Service award.

James Raphael – Mosman FC

James Raphael is the epitome of a great club man and someone who has contributed to Association and local football in a wide range of capacities since he joined the club in 2005.

He has coached numerous club senior men's and women's teams over the years and was the volunteer coach for the Club's AL1/AL1R squad over the 2018 winter season. His coaching achievements include being a former Club Director of Coaching, Premier League Coach, and coach of the Club's WAL1 and WAL2 teams.

James has also served in various capacities within the Club including as Secretary, Judiciary Member and as Club Representative at Council of Clubs meetings.

At Association level, James has been a member of the Player Grading Sub-Committee since its inception in 2016. He has also coached teams from the MUFC Metropolitan U10s, U11s and U12s teams as well as having been a coach to MUFC NPL Boys league U13 and U14 teams.

As a longstanding member of the MWFRA, James has mentored numerous referees over the years as well as making a substantial contribution as a referee himself. He was Referee of the Year in 2008 and refereed the semi-final of the FNSW Champion of Champions game in 2009. In 2008, he was Vice President of the MWFRA and President for 2009 – 2010.

He is the 'go to' man for odd jobs at Mosman Football Club despite having moved from Mosman many years ago. He is always ready to provide a helping hand whether it is dismantling goal posts or moving barbeques in his trusty ute.

Club football could not function without people like James who give so willingly of their time and knowledge. In addition, football within the Manly Warringah Football Association has been the better for his involvement over many years. Mosman Football Club has pleasure in nominating James for a MWFA Meritorious Service Award for 2018.

Steve Kiddle – Pittwater RSL FC

Steve has been with the club since 2009 when his son joined the U7's. He became the Age co-ordinator the following year & has been doing that ever since. His son is now in the U16's.

Steve was instrumental in starting the massive gala day we put on for the U6-U9 – with jumping castles, face painting etc & has made it the success that it is today.

Steve became the club secretary in 2016, without missing one meeting, he has kept us all in line with his 'actions to be taken'

You can find Steve at Kitchener most Saturday mornings & some Sundays, helping set up the canteen & BBQ, setting up fields. Steve is our 'go to guy', his efforts in keeping Pittwater RSL FC running are enormous.

TREASURER'S REPORT

I am pleased to advise that the MWFA has reported an operating loss before development levy revenue and grants of \$146,325 for the year ended 30 September 2019 (profit of \$92,858 for year ended 30 September 2018). In 2019, an additional \$160,500 was collected for the facility and sportsfield development fund as compared to \$145,980 in 2018.

The key points to note in this year's results are:-

- Revenue grew \$2,561 in 2019. Player numbers increased to 18,406 from 18,023 in 2019, but due to a change in the mix of players, total registration fees collected increased only marginally this year as compared to last year and the 2019 budget. There were no other significant movements in revenue.
- Costs increased this year by \$275,414 due to increased competition and coaching costs, ground hire, referee coverage and the increased FFA Levy that was not passed onto the players in this year's fees.
- As well, there were increased legal fees associated with change to a company for the MWFA, replacement of old telephone systems and payment of a donation to the Richard Tomb's fund-raising day.
- At the operating profit level, the MWFA actual result was in line with the budgeted result for the year.
- As at 30 September 2019, there is \$887,926 (2018: \$727,246) held in the facility and sportsfield development fund.

Net Asset Position and Budgets

The MWFA's net asset position has improved as a result of the improved trading result.

Given the extensive capital works that Northern Beaches Council have been undertaking on our playing fields, we have been reviewed our strategic goals that have set the parameters for future budgets and use of the development levies previously collected. As a result, the money held in facility and sportsfield development fund will be used to fund the proposed works to the Cromer Park building, which in return the MWFA will receive free access to the use of the Cromer Park building.

Other Matters

We have received the draft audit closing letter from John Watson of Watson Corporate Service and he has not identified any significant matters to be addressed. There are some minor process improvements that we will implement in the near future.

Lastly, I would like to thank David Mason and Derek Turner for their efforts and support over the past year.

Joseph Sorbara
MWFA Treasurer

SENIOR VICE PRESIDENT - REPRESENTATIVE FOOTBALL REPORT

The players, coaches, managers and parents of Manly United have conducted themselves in a manner to be proud of, we are held in high regard by most other clubs and associations, and we have the support and backing of the largest and most professionally administered association in NSW and probably Australia, for which we are grateful.

We are also fortunate to have our sponsors behind us and we thank them for their support and hope it will continue into the future. A special welcome to Bing Lee, who came on board this year as one of our major sponsors, together with the MWFA.

The Association Youth League has proven to be of great success and at the time of writing there are teams in the finals series. Thanks to the coaches and technical directors for their efforts.

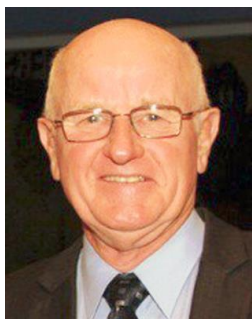

The senior men's and women's teams had mixed results this season, the senior men reaching the final 16 in the FFA Cup for the first time was the highlight for the club.

Thanks once again to Sharon Egger and Andrew Christiansen for their work as technical directors for women and men respectively, and to all the coaches and managers at MUFC.

It would be remiss of me not to acknowledge the support from the MWFA office staff, thanks to Dave, Lee-Anne, Karon, Derek and Angela.

On behalf of the board of MUFC, I wish everyone a happy festive season and hope you enjoy the short break, before we hope to see you all back again for the 2020 season,

WE ARE MANLY

SENIOR VICE PRESIDENT - ASSOCIATION REPORT

2019 was a memorable year in many different ways, all positive. I always look at the standard of football played and am convinced as well as the MWFA being the largest amateur Football association it gets better every year. The juniors from the Under 12's up (congratulations to the Dee Why Under 12's boys' team for winning the Champion of Champions) were extremely successful this year and congratulations to them all. Also, let's not forget Brookvale for another Champion of Champions win and the mighty BTH girls' U15s and the Pittwater Over 30s for their wins. Amazing all round

Well done to all!

I'd like to thank my fellow EC and MC members for their efforts this year and to Dave Mason for another tremendous job with many exciting things on the horizon. To the office staff who as always never let anyone down and work tirelessly throughout the year.

To the clubs and the players thank you for allowing me to make visits to your committee meetings and sharing all your concerns and enquiries and hopefully allowing me to give you all a few ideas moving forward. Certainly beneficial.

The defibrillator project goes from strength to strength with hopefully many more all over the northern beaches a project I am extremely proud to be part of. Thank you to all.

As you know one of the roles I get the most satisfaction out of is the Welfare Manager role and this year we had the running of the Mental First Aid course which was well attended and pre-season next year (around February) we will have a recap session for all the club welfare Officers and also the reminder of our Chaplaincy service.

One of my highlights was organising the inaugural Richard Tombs Cup, a fantastic day in conjunction with the Curl Curl Football club and many of Richards teammates and Dave Mason. From all the teams that played to all the people that helped to all the celebrities that played in the celebrity match (Thank you all again!) to raise over \$100,000 was just amazing. Thank you all again!!

Certainly, a year to remember

Here's to another great year

VICE PRESIDENT – SENIORS

It has been my privilege to be in the role of Vice President Senior Men's for another year. As well as assisting on the MWFA Management Committee I was also able to play in the Over 35 competition and undertake Assistant Referee and Referee responsibilities across PL, AL, O35 and O45 comps. All this has helped me get a broad understanding of the issues and challenges of my portfolio.

The 2019 season was another interesting and eventful year on the Men's side of the game. As well as excitement on the field there was also interesting activity in the Association meeting rooms. This culminated in the approval to make a significant change to our PL structure from next year with the move back to a 12-team competition. This process started off at our pre-season forum where a working group was formed to review the competition structure, there was a quick and decisive process of recommendations, voting and approval which meant that we changed the promotion/relegation dynamic mid-season. Instead of having one team relegated and one team promoted we were able to promote two teams and then have a play-off game between the 3rd Team in Div 1 and the team finishing bottom of PL. This play-off game will be a feature of the future structure all be it the team finishing 2nd last in PL and 2nd in Div 1 will play off in the future, with the top and bottom teams changing automatically.

The 2019 Premier League was again a very close competition with BROOKVALE taking out the championship by one point over runners-up SEAFORTH. Although BROOKVALE looked strong all year it was a more open title than previous years perhaps because PITTWATER RSL who have been Champions for the last two years having a slow start to the season, only a late charge seeing them finish fifth five points behind a finals place. Perennial top four finishers WAKEHURST finished 3rd and newly promoted CURL CURL finished in a creditable fourth position. In the finals series CURL CURL saw off Brookvale in the semi-final and proceeded to show their strength with a resounding 6-0 win over SEAFORTH in the final, reversing the outcome of the MWFA Challenge Cup where SEAFORTH beat CURL CURL.

In the AL1's perennial runners up BTH and HARBORD were neck and neck throughout the season. In the end BTH took out the Championship by having a better goal difference by 4 goals. That came after the BTH goalkeeper saved a last-minute penalty to rescue a point in their final game against MANLY VALE. BTH also overcame HARBORD 2-1 in the Grand Final and made a clean sweep by also taking out AL1R championship and Grand Final. With the new promotion/relegation structure in place BTH and HARBORD took out the automatic promotion places leaving AL/1 3rd place team MANLY VALE and PL 10th placed DEE WHY to contest the new annual Premier League play-off game. In a close contest with a good crowd cheering on Manly VALE took out the last PL 2020 place with a 1-0 victory.

In the 18/1 competition CURL CURL took out the championship with a five-point gap over runners-up WAKEHURST but they missed out in the GRAND FINAL losing on penalties to FOREST KILLARNEY.

The O35/1 championship was again won by WAKEHURST however second placed MOSMAN took out the Grand Final. In O45/1 BROOKVALE and MOSMAN were the standout teams. BROOKVALE took out the Championship before the league split into two divisions in which MOSMAN prevailed, in the Grand Final BROOKVALE had a narrow 1-0 win.

New to the AL's this year was being scheduled on rotation for Friday night's games, along with the O35 and 45's, this seemed to be well received. For 2019 the ALs had 9 Divisions plus AL1 Res, as the AL2 Res was scrapped. The O/35 competition again had 6 divisions and the O/45's 3 divisions; more growth is anticipated in this comp over the coming years as the aging population shows no sign of wanting to stop playing. Other changes this year saw roll out of the 10-minute Sin-Bin for any Yellow Card given for Dissent towards Officials, this had been trialled in Under 18/1 and MWFA Cup competitions in 2018. Initial indications are that this has been very successful in reducing the dissent shown towards referees.

Good luck to BROOKVALE, WAKEHURST and CURL CURL as our representatives in the Champion of Champion series. I am sure they will do us proud and compete to the best of their abilities.

MWFA once again fielded a PL select team that played NSFA Select and then MANLY UNITED with two very close games. MWFA defeated NSFA 5-3 in a penalty shoot-out with the winning penalty scored by CC STRIKERS Nick Parker. The MWFA Men's select team then held MANLY UNITED to a 1-1 draw in the annual MWFA Challenge at Cromer Park.

In the Under 18 Select game it was congratulations to MANLY UNITED in winning 3-0 a great spectacle played in front of a healthy crowd. Ben Gibson (MANLY UNITED) and Zack Trisic (MWFA – CC STRIKERS) were named as the Players of the Match.

This year's Presentation Night was again a joint Men's and Women's event. We had another successful night at the Novotel, Manly Pacific with 350 in attendance. A special thank you must go to one of our sponsors The Bendigo Bank, for their continued support in donating the cheques to the "Player of the Year" categories. It would be remiss not to mention the work that Dave Mason, Lee-Anne, Karon, Angela and all others from the office put into making the night a huge hit. The photographs supplied throughout the year by Graeme Bolton and Michael Hennessey add a great deal to the night. Your efforts are much appreciated.

The Mens' winners were as follows:

Mens PL Goal Keeper of the year	Matthew Smith	CC Strikers
	Daniel Trueman	Seaforth FC
Mens AL Goal Keeper of the year	Jack Worland	HSU FC
Mens PL Coach of the year	Matthew Gale & Jordan Lefebvre	Seaforth FC
Mens AL Coach of the Year	Paul Mulligan	HSU FC
Mens PL Golden Boot of the year	Justin Hayward	Brookvale
Mens AL Golden Boot of the year	George Harle	BTH Raiders
	Benjamin White	HSU FC
	Simon Dolling	Mosman FC
Mens Rookie of the year	Oscar Drew	Mosman FC
Lorna Gale PL Player of the year	Daniel Beblaere	Seaforth FC
Mens AL Player of the year	Jack Brown	BTH Raiders
	Bruno Mendes	Mosman FC

Finally, many thanks to all the MWFA committees and sub committees for their efforts during the season. We had a forum for Men's PL, AL 1 coaches and officials along with members of the MWFRA to discuss a range of issues. Defibrillators coverage across all our senior games this year has continued to be good.

I hope you all enjoy a break in the off season, have a great festive season and look forward to seeing you all back next year.

Terry Gatward
Vice President Seniors

VICE PRESIDENT – YOUTH

Participation numbers in youth ages (U12 thru U16) continued to grow, up 3% over last year from 2,634 to 2,706. Together with the girls (1,558) in the same age groups, the youth ages represent almost 25% of the footballers who take to the fields each weekend and 43% of all those involved in the competition age groups.

We love having teams represent the MWFA in competitions such as the FNSW State Cup and this year we had 28 teams from U12 to U16 participating. Notable performances were Mosman and Dee Why making the quarter finals in the U12's, and Forest-Killarney making the semi-finals in both the U13's and U16's. In the prestigious season-ending FNSW Champion of Champions tournament, Forest-Killarney repeated reaching the semi-finals for both their U13's and U16's but the stars were the U12's from Dee Why who took out the grand-final. Well done everyone.

I always keep my fingers crossed that we have good weather for our local grand-final day and fortunately that was the case this year. It's a fabulous occasion for the kids because their extended families and friends come to watch and support and that makes it rather special. Win or lose, everyone gets due recognition, everyone gets a medal, and there are lots of photo opportunities with impressive looking trophies. Last year we only had one game go to penalties but this year we had many more. Nothing attracts a crowd like a penalty shootout and that was in evidence on the day. People say penalty shootouts are stressful for the kids but not nearly half as stressful as it is for the parents! I saw many on the day not able to look while their child was taking a penalty. Great theatre, and in the end, also great fun.

This will be my very last report as VP Youth for the MWFA. Changes to the governing structure of the MWFA mean that the traditional roles of the Management Committee members no longer exist. Having served on the Management Committee for the past 14 years, it is with more than a degree of sadness that I leave. I have worked with a fantastic array of people on that committee over those years but would like to pay special note to two. Firstly, to Andrew Edwards who served the MWFA for many, many years and encouraged me to get involved. He gave huge amounts of his time and was a fine administrator. Secondly, to Jeff Smit who is standing down as President. Jeff brought an energy and drive, the likes of which had to be seen to be believed, and did things for the right reasons, with the best interests of the wider MWFA community in mind. His absence will be a significant loss for the MWFA.

I'd like to thank my fellow committee members and also extend a special thanks to Lee-Anne Sestanovich and Karon Saunders for their valuable assistance throughout the year. I wish the inaugural MWFA Board of Directors all the best and trust that under their stewardship, the MWFA will continue to deliver great outcomes for the football community.

I've always been a strong advocate for the junior end of our footballing community. I understand the interest in senior football, particularly the pointy end (PL and WPL) but we need to keep in mind that 70% of our players are under the age of 16. We must not become complacent and instead should continue to look at ways of making the game and the experience around it more engaging for them.

In closing, I would like to extend my thanks to coaches, managers, referees, club officials, parents, and supporters for playing your part in providing youngsters the opportunity to participate in the wonderful game of football.

David Brennan
Vice President Youth

MWFA VICE-PRESIDENT – JUNIORS JUNIOR FOOTBALL ('MiniRoos' Ages 5-11) & FNSW TOURNAMENTS

(A) Manly Warringah Football Association Inc (MWFA) Football in General

In this, Year 2019 in my section of the MWFA Annual Report, I sincerely thank all members of the MWFA Football Community (supporters and officials) for the friendship and co-operation experienced in my roles on the MC, as V-P - Junior Football (ALDI MiniRoos Ages 5-11) and V-P - Football NSW Tournaments. Amongst the many, I must mention our tireless President, Mr Jeff Smit, who, in just a few years, has pursued the development of Football on the Northern Beaches and Mosman LGA's.

Next, thanks to the Executive Committee (EC), my fellow Management Committee (MC) members and our top-notch Office Staff Team. The last mentioned were co-ordinated by David Mason, our CEO, with Lee-Anne Sestanovich, Karon Saunders and Angela Crandell. We have run a 'tight ship' for over 18 000 players and other participants.

Also sincere thanks to Sigrid Mulherin, Manly Warringah Football Referees Association Administration Officer, for her liaison with me to provide referees each Sunday of the FNSW Tournament rounds (see below), as held in the MWFA area and during other related occasions.

Last but not least I am most grateful for the work Eugene Lawrenz, our Community Coach Development Manager (CCDM), has developed this year. From small beginnings, Coaching with the Junior levels has gone ahead in leaps and bounds. I thank the many Clubbies, who have attended Eugene's and my courses.

To this list I add thanks to Club officials who have assisted Eugene and me developing the Juniors, ages 5 to 11. Five-year olds do play in our Under 6 bracket so these need greatest assistance in coaching. As well, Life Members, in Club and Association ranks, I sincerely thank for the keen interest in Football throughout 2019.

(B) MWFA Junior Football Ages Under 6 to 11 (and even from U.5 age)

Thanks, again, 'Clubbies', with U.6-11 teams, especially those who learned Grassroots Football Rules of 'ALDI MiniRoos Football'. In 2019, many players in these groups found seamless transfer to the U.12's with full 'eleven-a-side Football and all FIFA Laws.

Eugene and I conducted successful 'MiniRoos' Courses in early 2019, where I spent the first 10-15 of the 80-90 minute session outlining the 'MiniRoos Playing Formats and Rules' documentation. Then, Eugene assisted members in Courses to understand how to put all into practice. Over 500 people found proficiency in 'Rules and Formats'.

These were usually our 'referees', at this level called 'Game Leaders'. After these sessions Clubbies and others attended Eugene's other more specific Grassroots Coaching Courses (as I do each year) to become better 'Coaches/Managers (called 'Team Leaders')'. Great development has continued with ages U.5-11. Where there were problem areas, notified to me, I managed to clear up misunderstandings at matches and via correspondence. Previously, I stated, over 500 attended courses and in 2020, with newly designed courses we will develop stronger Team Leaders and Game Leaders. Eugene has expanded his role and I gladly hand over my part with Mini-Roos Football, whilst I pursue new MWFA targets.

(C) Football New South Wales (FNSW) State Cups Tournament

Now I must outline the 2019 campaigns of Club teams volunteering to contest what is generally called the 'FNSW State Cup Tournament' (the named State Cups are the Frank Broughton, Robertson, Bill Cullinan and Cheryl Salisbury Cups as well as those just denoted as State Cups). Our MWFA Club teams challenged teams from all over NSW.

The Final results were: Pittwater RSL FC 12 Girls won 4-0 over Parklea SFC; PRSLFC 16 G won 5-1 V West Pymble FC; Forest Killarney FC 18M won 3-2 V Lilli Pilli FC; Avalon SC 18 W won over Shellharbour FC 1-0; PRSLFC lost 14 G by 0 to 1. Thus 4 of 5 Finalist were winners (80% !!!!!). Great winning record!!!!

(D) FNSW Champion-of-Champions Tournament

Our Club Division 1 teams, that won the 'MWFA League Championships, 2019', represented the MWFA against other NSW Associations. 16 MWFA teams contested Round 1.

After many weeks, 5 Finalists attended FNSW HQ, Valentine Sports Park, Glenwood, on Sunday, 20th October, with results: Dee Why FC 12 Boys won 4-0 V Kellyville Kolts SC; Belrose Terrey Hills Raiders SC 15 G won 2-0 V Huskisson Vincentia FC; PRSLFC O30 W won 3-2 V Loftus Yarrawarra FC; Brookvale FC All Age Men won 4-1 V West Pennant Hills Cherrybrook FC; Avalon SC 14 G lost to Avoca FC 0-3. Another fantastic 4 of 5 Finals' winners!!!! Record #2 for 2019!!!! Great Finals' day all teams!!!! MWFA Face Book reports on record for both FNSW State Cups and CoC matches!!!!

'ALDI MiniRoos' Rules Sessions, etc, will start in March with notice to Clubs early 2020.

In conclusion, thanks again to my Football friends. I eagerly await Season 2020 when it all restarts with the MWFA. To Club Committees, players, officials and supporters, I hope you have a fine off-season and return refreshed to participate in 'The World Game'. My role in 2020 will be an expanded one with FNSW State Cups and Champion of Champions!!!!!!!!

May you celebrate a Festive 2019 Christmas Season (or how you enjoy a break) and enjoy a joyous New Year 2020 with success in your endeavours. I look forward to seeing our Football Family in 2020, via my roles as outlined throughout this Report, and via the 'social media'.

Best of good fortune to Jeff Smit during his further endeavours and in his family life!!!!

Roland Winter

Vice President – Women

VICE PRESIDENT – GIRLS

2019 saw another substantial increase in junior women's registration numbers. W8 to W18 registrations growing by nearly 6% on the previous year to a total of 3,374 players.

It is very pleasing to see the women's game growing so confidently. It is very clear for any spectator to see how much our junior women's players enjoy playing the game, representing their club and the fantastic competition on offer.

Early in the year a survey was sent to all junior women's players from W14's to W18's inclusive. The aim of the survey was to pinpoint what factors of the game our junior women's players enjoy, what motivates them and of course what factors may result in them not wishing to continue playing in future years.

Based on the large numbers of registrations across many clubs in the junior women's category, the information received in this survey will be utilised to assist in making the playing experience more enjoyable and safer for our junior women's players for many years to come whilst focusing heavily on those factors that may be turning players away from the game.

We received a great response to the survey and have been able to get a very clear picture of the major positive and negative influences on our junior women's players. Thank you to all those who took the time to give their valuable feedback.

2019 has seen some massive achievements from some of our junior women's teams.

Pittwater W12/1's, Pittwater W16/1's and Avalon W18/1's all being crowned State Cup Champions for 2019.

Belrose-Terrey Hills W15/1's took out the 2019 Champion of Champions Tournament and Avalon W14/1's making it all the way to the Champion of Champions final.

A huge congratulations to all of these teams on some outstanding results.

An amazing winter season this year culminated in a fantastic Grand Final Day at Cromer Park where all participating teams played hard, fair and very much in the spirit of the game. It is great to see such intense competition on the field contrasted by such friendly interaction between rival teams before and after the match. This is truly what makes the women's game so unique and such a pleasure to be involved with.

I look forward to seeing the Junior Women's game in Manly Warringah grow even further again in 2020.

MWFA COACH DEVELOPMENT REPORT

2019 was my first year in Manly Warringah, and I very much enjoyed working with everyone in the football community. Some highlights of the season from a coach development point of view are detailed below, and I look forward to continuing and improving on all of these projects in 2020.

COMMUNITY COACHING COURSES

A total of 22 official FFA Community Coaching Courses were made available at several clubs and at Cromer Park this season, while continuing the flexible schedule and structure utilised last year for all of the Skill Training and Game Training Certificates, as well as spreading them across different periods of the season to cater to as many people as possible. We saw an increase in numbers from 2018 with just over 350 attendees in total (broken down further below), with one more Skill Training Certificate still to take place in December.

- 13 x ALDI MiniRoos Certificates (250 coaches)
- 5 x Skill Training Certificates (71 coaches)
- 3 x Game Training Certificates (32 coaches)

I would like to thank Suraj Pillai, James Webb, Rich Lacey, Nick Robb, Alex Brazete, Steve Hurd and Grace Lambourne for their efforts and contributions in presenting these courses, as well as all of the clubs who hosted them, or even just helped with promotion.

COACHING WORKSHOPS

As both a compliment to official coaching courses, and as a way to support, capture and encourage more coaches to undertake official accreditation, we ran 6 coaching workshops at Cromer Park with almost 120 coaches in attendance in total. Topics presented were based on feedback collected from MWFA coaches themselves at the beginning of the season, with the workshop covering trials/grading especially popular and well received given the challenges many clubs face when trying to figure out how to best coordinate and manage this part of the season. One more workshop may still be added to the calendar before the end of the year to cater to coaches interested in professional development opportunities over the off-season, and again, thanks to everyone who assisted with promoting these.

Earlier in the year we also had a successful Grassroots Coaching Expo, which was attended by approximately 50 coaches (although the number could've been a lot higher if not for bad weather). I would like to thank all of the coaches and players in the Manly United Girls and Women's programs who helped out on the night with the model sessions, especially Technical Director Sharon Egger for her support, as well as special guests Phil Moss and Jimmy van Weeran for their time and insights.

CCC PROGRAM

The Club Coaching Coordinator (CCC) program proved to be a success again in 2019, with 13 clubs actively participating. Some clubs were in a year of transition or were looking to get more involved than they had been previously, but the overall pool of CCCs grew to more than 35 which is a fantastic outcome. I look forward to potentially working with all 17 clubs next season to provide even more support for their coaches, which is what this program is about, although it is important to note that it is a flexible program that can be moulded to suit the needs of each individual club and their coaches.

Special thanks go to all of our committed CCCs for their time and efforts, as well as the club committees who support them, in what is probably the most important initiative established in the FFA Coach Education framework, and also what will make the greatest difference not only to the quality of players we produce in this country, but more importantly, the quality of the experience all of our players have (which will hopefully result in them staying in the game over the long term).

Coach development is an investment, NOT a cost.

In total I personally made almost 40 club visits during the season (which I aim to better next year), which included 12 club-based coaching workshops that were attended by approximately 100 coaches in total and provided them with even more convenient development opportunities. For next season I will be looking to organise a 12-month schedule of coach development events in consultation with all clubs to prevent as many clashes as possible, allowing me to provide even more direct support. This calendar will be made available on the MWFA website under the coaching tab, along with several other new pages and resources for coaches to utilise.

GAME LEADER COURSES

7 Game Leader courses were offered for MiniRoos volunteer parent referees at several clubs and at Cromer Park, with a total of 200 participants. This is actually a good sign despite being a lower number than 2018, as it shows the demand is decreasing due to the number of parents out there who are now more confident about volunteering to be a Game Leader and the MiniRoos rules. We will of course continue to offer more of these courses next year however to continue growing this base, as well as giving anyone interested the opportunity to have access to a refresher course. I would like to thank Tony Davies for his assistance with these courses.

ADVANCED COACHING COURSES

We hosted 2 FFA C-Licence coaching courses at Cromer Park this season (one in February and another across September and October), with 45 coaches progressing through the first stage of the advanced pathway. I have also been involved in presenting several other C-Licence and B-Licence courses for both Football NSW and FFA this year in order to complete my training as an advanced course instructor, which will allow us to host more of these courses in Manly Warringah in the future.

We had 8 applicants for the Female Scholarship Program in 2019 which was great to see, and we will consider how to accommodate more of them next year given the significant interest from female coaches in the C-Licence course. Catriona Ormond (Seaforth) and Sharna Barras (CC Strikers) were selected this time around, and I look forward to working more closely with them next year as they look to share their new knowledge and support other female coaches at their respective clubs.

FUTURE COACHES PROGRAM

The Future Coaches Program has been very popular this year, with a total of 15 applicants, 12 of which becoming the initial participants. These coaches have been going through an intense personal development program together as a group, leading into one-on-one mentoring next season, to help each of them reach their potential and achieve their coaching goals. Some early success stories will be posted on the MWFA website soon, and I look forward to seeing all of them progressing and achieving meaningful outcomes with their teams or in other football roles they undertake.

I'd like to finish by thanking everyone who welcomed me and supported me in my new role this year, and I look forward to even better football season in 2020. Have a great summer and stay safe.

Kind Regards,

Eugene Lawrenz

MANLY UNITED FC – TECHNICAL DIRECTOR WOMENS FOOTBALL

2019 saw the Manly United FC women's program field teams in the FNSW NPL Competition in grades 14, 15, 17, Reserve Grade and First Grade.

Three of five grades made the finals being our 14s (finished 2nd), 15s (finished 5th), 17s (finished 6th), Reserve Grade (finished 3rd) and First Grade (finished 8th). Our very talented 14s (product of our Girls SAP program) made the Grand Final losing to the FNSW Institute for the second year in a row.

Our youth development programs, playing style, fair play, integrity and facilities are second to none, along with highly qualified, experienced and dedicated coaching staff, which is why we are often referred to as the 'model' women's youth development program in NSW.

Once again I consider myself fortunate to have held the position of Technical Director of the women's program at Manly United FC this year. Our players are a delight to work with from the SAP and Development Squad programs right through to First Grade. Most of them have learnt their trade at MUFC, many from as young as 11.

I know I speak for our coaching staff when I say that we are very fortunate to be charged with the responsibility of developing the best of the best on the peninsula and every year we work harder to do just that, whilst ensuring we have a balanced, nurturing environment where enjoyment and development is paramount, particularly in the youth grades. Believing in what we do, not veering from the script and working together as a unit is why we are at the top of the women's game in NSW.

This year saw the 6th year of our Girls SAP (Skill Acquisition Program) and our third year of the full-time program in grades 10, 11, 12, 13.

The program has been a wonderful success, which is demonstrated by the number of Manly United players who were selected in the NSW PSSA Team (7 from our SAP program). Our Girls SAP program is underpinned by four development squads – U10, U11, U12 and U13.

We have a commitment to developing home grown juniors so that our senior squad continues to draw from our youth grades both in the short term and in the future and the Girls SAP is certainly providing the best platform for this to continue.

Once again our TRY SAP Day was a great success, attracting over 160 girls to Cromer Park at the end of the season. All our coaching staff were on deck along with a number of players from all grades, contributing to ensure the day ran like clockwork.

As I write this, we have now had 5 First Grade players sign W-League contracts for the coming season along with 2 x players signing overseas contracts – Remy Siemsen (USA) and Caitlin Jarvie (Poland).

Add to that, Kahli Johnson was selected in the NSW U15 state teams and competed in the Girls National Football Championships in Coffs Harbour in July.

We are in the business of developing elite footballers for Manly United and beyond, whether that be the W-League or National Teams and I am proud to say we are on track.
