## JUDICIARY REPORT

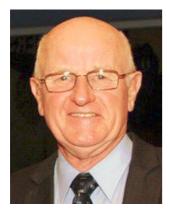

Firstly thanks to the panel, namely David Wilson, Cas Greco, Tony Cavallieri, Angie Carey, and Wayne Terry, and to the representative from the referees Craig McBernie.

There will be some changes to the structure of the judiciary next season in line with the Association changing to a company and a board structure instead of an Executive and Management committee, details will be sent out when the conversion is finalised.

As has been the case for a number of years the abuse of match officials is the most prevalent offense coming before the judiciary, and this need to be addressed by the judiciary and your association. There are already lengthy suspensions being imposed, but the message is not getting through to the players and team officials.

The Association agreed during the season to publish suspensions each week on the web site, and maybe this will make players aware of the seriousness of being sent off for abuse of match officials, and the lengthy suspensions imposed. The judiciary has a range of the number of matches it can apply and they may start to go to the maximum rather than the lesser sentences to try and curb this behaviour. The 10 minute sin bin for dissent is working well, and will continue to become more common in the future as more referees use this penalty.

On behalf of the Judiciary panel, I wish everyone a happy Christmas and hope to see you all next season, (but not at the judiciary),

Keith Pester, Judiciary Secretary

## 7. Presentation of Meritorious Service Awards and Football NSW State Awards

## 7.1 Richard Hooker – Football NSW State Award

Richard Hooker has been a club stalwart for the Collaroy-Cromer Strikers Football Club since its creation in 1994.

But even before that Richard was prominent in community sport and worked tirelessly on the Cromer football club committee.

During the past 24 years Richard has served the merged entity, Collaroy-Cromer Strikers club in a wide range of key positions.

Some of these have ranged from Men's vice-President to club Registrar. Richard has also worked as Gear Steward, senior men's teams co-ordinator, team manager for numerous teams, Manly-Warringah Football Association delegate and competition director of the Sydney-wide competition, Strikers' Cup. He is also a life member of Collaroy Cromer Strikers FC.

However, it's in the area of competition organiser that Richard is best known.

He was integral in starting the CC Strikers inaugural summer six-a-side competition in 1977, a competition that, from humble origins, became one of the best-known summer sport competitions on the Northern Beaches.

From its inception, Richard ran this competition almost single-handedly,. It's booming popularity underlining the community demand for small-sided games on the northern beaches.

In 2012, CC Strikers and Manly United forged a partnership and the Manly-Warringah Summer Six-a-Side competition was created with Richard Hooker as tournament director.

Since that time this summer competition has gone from strength to strength and now involves more than 340 teams and 2750 players.

It is played on the artificial turf under lights at Cromer Park and provides a muchneeded healthy sporting outlet for players from under five to over fifty.

## 7.2 David Lavings - Meritorious Service Award

Curl Curl Youth Club would like to nominate David Lavings for a Meritorious Service Award. David has played at Curl Curl since 2008, starting in AL, moving to O35 and now playing O45. He also coached his son's junior team for 5 years and for 3 of these years was also the team manager. In 2009 our club was struggling for volunteers and a call was put out to all members to attend a crisis meeting to address this. David answered this call, becoming Vice President in 2009 and 2010. He then took on the President role in 2011 where he continues to this day. David's strong networks and links within the community have been invaluable and he has been a vocal and able advocate for the club at MWFA, on council committees and with local government. David was the main force behind the installation of lights at Abbott Rd – he organised the plans, the DA and obtained grants to fund the installation. More recently he has led the push for Curl Curl Youth Club to upgrade the facilities at Abbott Rd and get a proper clubhouse, which is now at DA stage, and he was also instrumental in forming an AL1 team in 2017. Each end-of-season Junior Presentation Day our club collects discarded kit and soccer boots and David, who works regularly in Fiji, takes these items to distribute to Fijian communities. David was voted Club Person of the Year in 2010.

## 7.3 Dusan Rakic - Meritorious Service Award

Brookvale football club would like to nominate MR DUSAN RAKIC for the meritorious service award, Dusan has been involved with Brooky fc in either a playing and an off field role for the last 15 years. Dusan's love of the game initially saw him become a team coach or manager and player from 2003 until today. From 2003 to now he either coached or managed teams from u/16 to seniors.

He is now for the 3rd year the gear steward for our premier league men squad which entails long hours during the week and weekends while still trying to play the occasional game for his o/45 team. Although Dusan playing career at Brooky is quite outstanding its his off field role that requires some sort of recognition. This includes , over 15 years;

\* Committee member from 2011 progressing to senior vice president and a member of the clubs executive committee over the last 3 years

\* Team referee for his 0/45 side whenever he is available, he has been a team referee for many years

\* Since the club has growing in numbers Dusan has always made available when ever asked

\* Dusan has assisted club over many years with preseason major clean out of grahams res dressing rooms and canteen

\* Bagging of playing gear for all our teams prior to season starting

\* Washing premier men's shirts and cleaning out dressing rooms at grahams without being asked

\* Regular attending bar b q duty and ground set up at grahams most week ends

\* Attending monthly committee and executive meetings where his option is always highly regarded due to many years at the club

\* Dusan is also involved in the Sunday morning master comp which he has done for many years

Dusan is totally committed to Brookvale fc and MWFA and as such we at Brookvale would love to see his years of service be recognised with this great award.

## 7.4 Caroline Hodges - Meritorious Service Award

Caroline Hodges has been an incredible contributor to Manly Vale Football Club over the past ten plus years. As the daughter of former Manly Vale President, PL coach and player Les Cratchley it was almost inevitable that she would be brought up in the Manly Vale club family. After marrying David Hodges she spent many hours at the club with children Surrey, Lucy and Daniel and was a team Manager. In 2006 when Connie decided to handover Caroline already a committee member volunteered to take over the running of the canteen and assisted by David has grown the Manly Vale Canteen into a vibrant hub of the clubs activity over the weekend.

Ensuring it is staffed across both days and stocked with tempting fare for old and young the canteen has continued to set the benchmark across MWFA. Just as importantly for the club is that the canteen has grown in the funding contribution it has made to the clubs finances and continues to be the major source of funding after playing fees. Caroline has been a staunch member of the Manly Vale Committee for the last twenty years and continues to be a bastion of the clubs family and community

spirit. Manly Vale FC is very fortunate to have the contribution of Caroline and her family and is proud to nominate her for the MWFA Meritorious Service award.

## 7.5 Keith Wainwright - Meritorious Service Award

Keith Wainwright is the longest serving member of the Manly Vale Football club indeed he is the only member that was involved with the club during its previous incarnation as Brookvale, it became Manly Vale in 1961. The Wainwright family had a large influence on the club, with father Ted a coach for several years and 4 brothers all playing for the Club. John and Keith were both to have a hand in running the Club, John as President and Keith as Premier League Coach.

Although Keith went on to represent the District and Area in rep teams he always returned to Manly Vale. As he aged he became more involved in lower division teams and was a key organiser of the Sunday Summer masters and its move into the MWFA family. For the past 10 years Keith has been the patron of Manly Vale FC. He has recently been coaching a number of Manly Vale Women's teams as well as helping develop the skills of his grandchildren. Keith is passionate in his recollection of the club and areas football history and will happily engage with anyone on his this his favourite topic. Manly Vale FC is very fortunate to have the contribution of Keith and is proud to nominate him for the MWFA Meritorious Service award.

## 7.6 Neil Blundell - Meritorious Service Award

Neil Blundell has been a key contributor to the football and committee of Manly Vale FC for over ten years. As a young footballer he represented Auburn & Blacktown City. After moving into the area he joined our strong AL4 team and then was a pioneer of our early Over 35 and 45 teams. He also took up coaching junior teams with an approach that always encouraged effort and development rather than results. He has twice stepped into Assistant Manager Roles for our PL squads.

For the last 10 years Neil has been managing the Over 35/45 Senior Men's teams and has grown the participation to 6 teams, actively involved in the clubs committee he has always been a willing contributor to the clubs progress. He is also currently coaching our under 16/1 team. Manly Vale FC is very fortunate to have the contribution of Neil and is proud to nominate him for the MWFA Meritorious Service award.

## 7.7 James Raphael - Meritorious Service Award

James Raphael is the epitome of a great club man and someone who has contributed to Association and local football in a wide range of capacities since he joined the club in 2005.

He has coached numerous club senior men's and women's teams over the years and was the volunteer coach for the Club's AL1/AL1R squad over the 2018 winter season. His coaching achievements include being a former Club Director of Coaching, Premier League Coach, and coach of the Club's WAL1 and WAL2 teams.

James has also served in various capacities within the Club including as Secretary, Judiciary Member and as Club Representative at Council of Clubs meetings.

At Association level, James has been a member of the Player Grading Sub-Committee since its inception in 2016. He has also coached teams from the MUFC Metropolitan

U10s, U11s and U12s teams as well as having been a coach to MUFC NPL Boys league U13 and U14 teams.

As a longstanding member of the MWFRA, James has mentored numerous referees over the years as well as making a substantial contribution as a referee himself. He was Referee of the Year in 2008 and refereed the semi-final of the FNSW Champion of Champions game in 2009. In 2008, he was Vice President of the MWFRA and President for 2009 – 2010.

He is the 'go to' man for odd jobs at Mosman Football Club despite having moved from Mosman many years ago. He is always ready to provide a helping hand whether it is dismantling goal posts or moving barbeques in his trusty ute.

Club football could not function without people like James who give so willingly of their time and knowledge. In addition, football within the Manly Warringah Football Association has been the better for his involvement over many years. Mosman Football Club has pleasure in nominating James for a MWFA Meritorious Service Award for 2018.

## 7.8 Steve Kiddle - Meritorious Service Award

Steve has been with the club since 2009 when his son joined the U7's. He became the Age co-ordinator the following year & has been doing that ever since. His son is now in the U16's.

\* Steve was instrumental in starting the massive gala day we put on for the U6-U9 – with jumping castles, face painting etc & has made it the success that it is today.

\* Steve became the club secretary in 2016, without missing one meeting, he has kept us all in line with his 'actions to be taken'

You can find Steve at Kitchener most Saturday mornings & some Sundays, helping set up the canteen & BBQ, setting up fields. Steve is our 'go to guy', his efforts in keeping Pittwater RSL FC running are enormous.

## 8. Nomination of Life Members

#### Ed Neill – MWFA Life Member

Warren Mepham nominated Mr Ed Neil as a Life Member candidate for the 2018 AGM. That was seconded by Mrs Linda Ward.

Ed Neil's involvement with MWFA dates back over 33 years. His proud achievements started with the Wakehurst Football Club when he first coached his son's team back in 1985 under7's. Ed served as President for 5 years from 1989-1993 and as Registrar for 6 years 1995-2000.

As President, he was a mover and shaker in the proposal to turn the road corridor at Hew's Parade into playing fields. He put a lot of work into this to get Wakehurst a home. Although this was eventually defeated by the residents, Hew's Parade became Wakehurst's Sub-Junior ground in 1991 and in 1992 the Car Park was built and in 1993 the present Canteen/Storage building was completed. Both Ed and Col Pithis worked tirelessly to get this done. During his tenure the demountable building was put at Lionel Watts as a Club Canteen and Meeting place. During these times, Ed continued the tradition of opening his house on Friday nights for Coaches and Managers to collect information and socialize to give a true Club spirit. Ed Neil was awarded Life Membership of Wakehurst Football Club in 1997.

Manly Warringah Football Association- Ed's time at Wakehurst was inter-twined with MWFA. From approximately 1990, Ed developed a computerized Registration System for MWFA and its Clubs. Ed maintained this program for the Association and its Clubs until the introduction of "My Football Club" in 2006. In 1997, he also developed a system to assist the Referee's with 'payments for games covered' and in 2000, he incorporated the MWFA System into 'i-sport' which remained in place until the introduction of 'My Football Club' in 2006.

Ed served on the Management Committee in 1992 and 1993 as Vice-President of Sub Juniors. He was also honoured with the MWFA Meritorious Award in 2004.

Ed's involvement and passion for the Appeals Committee is legendary dating back to 1996, giving 22 years and the last 8yrs as Chairman.

In 2015, Ed was awarded a 'Football NSW State Award' for services to football. This award was in recognition of his tireless efforts and services to football in their local community. This State Award formally recognizes individuals who have provided consistent and valuable service at the club or association level.

I have much pleasure in nominating Mr Ed Neil for Life-Membership of the Manly Warringah Football Association.

The Members were asked to vote on the nomination and the vote was 52 - 0 in favour of Mr Ed Neill becoming a Life Member of the MWFA.

## 16.1 Robert (Rob) Brennan

**MWFRA President 2011 – 2018, MWFRA Junior Vice President 2009 - 2010** At the MWFRA AGM on Monday 19<sup>th</sup> November 2018, the long term President of the

Association, Robert (Rob) Brennan stood down from the committee. Rob has served as President for 8 years, and prior to that as Junior Vice President for 2 years.

He was nominated for Life Membership of the MWFRA at the AGM and the motion was approved unanimously. Rob now joins a select group of only 39 Life Members in the associations 70 year history.

During Rob's tenure as President he led the organisation dynamically to promote and develop the highest standards of refereeing in the Manly Warringah district.

Of note under Rob's guidance Communication Equipment at senior levels of both Men & Women's football was introduced, enabling a team of referees to communicate during games.

This with the use of 4<sup>th</sup> officials has enabled a higher standard of refereeing via communication, education of Junior Assistant Referees and overall control of games. Further initiatives such as a PL swap programme with the adjoining KDFRA, the introduction of a Level 2 Assessor, who is also a State League Referee, and the use of videoing referee games, have all been made during Rob's term. This has exposed referees to wider experiences and education in the pursuit of the highest standards possible

Also at Junior levels, Rob has introduced and overseen a mentoring programme for encouragement & education, in conjunction with a progression path for experienced juniors such that in 2018 a number of young senior referees progressed to refereeing our highest levels of PL & AL1.

Referee training nights at Cromer Park and a NSW FFA approved Fitness Test, which is mandatory for refereeing PL, AL1 & U18/1 levels, have all been introduced for improved knowledge and fitness.

Rob has led the progression of refereeing in the Manly Warringah association with vision, determination & sheer hard work. Rob leaves very big shoes to fill.

## 16.2 Chris Adams Replacement

There are a number of candidates for Chris Adams position; an appointment will be made in the next couple of weeks. The candidates look like they will be very capable of picking up where Chris left off.

## 16.3 Richard Tombs

Dave has met with Richard Tombs who will be leaving his Rehab facility in mid December. Richard wanted to speak with the MWFA regarding his goal to help improve the general way players and spectators treat referees and each other and how it needs to be changed for the positive.

## 16.4 New registration system

FFA and Football NSW will be releasing the new registration system in December and all clubs will be notified of any changes to the timetable already in place around training.

#### Note 1. General information

The financial statements cover Manly Warringah Football Association Inc as an individual entity. The financial statements are presented in Australian dollars, which is Manly Warringah Football Association Inc's functional and presentation currency.

Manly Warringah Football Association Inc is a not-for-profit incorporated association incorporated in New South Wales under the Associations Incorporation Act (NSW) 2009, registered and domiciled in Australia.

The financial statements were authorised for issue on \_\_\_\_\_November 2019.

#### Note 2. Significant accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### New or amended Accounting Standards and Interpretations adopted

The association has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

#### **Basis of preparation**

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards -Reduced Disclosure Requirements and Interpretations issued by the Australian Accounting Standards Board ('AASB'), New South Wales legislation the Associations Incorporation Act 2009 and associated regulations, as appropriate for not-for profit oriented entities.

#### Historical cost convention

The financial statements have been prepared under the historical cost convention.

#### Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the association's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 3.

#### **Revenue recognition**

The association recognises revenue as follows:

#### Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the association is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the association: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Variable consideration within the transaction price, if any, reflects concessions provided to the customer such as discounts, rebates and refunds, any potential bonuses receivable from the customer and any other contingent events. Such estimates are determined using either the 'expected value' or 'most likely amount' method. The measurement of variable consideration is subject to a constraining principle whereby revenue will only be recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The measurement constraint continues until the uncertainty associated with the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are recognised as a refund liability.

#### Sale of goods

Revenue from the sale of goods is recognised at the point in time when the customer obtains control of the goods, which is generally at the time of delivery.

#### Note 2. Significant accounting policies (continued)

#### Rendering of services

Revenue from rendering of services is recognised upon the delivery of the service to the customers.

#### Interest

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

#### Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

#### Income tax

As the association is a tax exempt institution in terms of subsection 50-10 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

#### Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the association's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the association's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

#### Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

#### Trade and other receivables

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for expected credit losses. Trade receivables are generally due for settlement within 30 days.

The association has applied the simplified approach to measuring expected credit losses, which uses a lifetime expected loss allowance. To measure the expected credit losses, trade receivables have been grouped based on days overdue.

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

## Property, plant and equipment

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on a straight-line basis to write off the net cost of each item of property, plant and equipment (excluding land) over their expected useful lives as follows:

Computer equipment	10% - 25%
Furniture and equipment	10% - 25%
Plant and equipment	25%
Motor vehicles	15%

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

#### Note 2. Significant accounting policies (continued)

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the association. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss. Any revaluation surplus reserve relating to the item disposed of is transferred directly to retained profits.

#### Trade and other payables

These amounts represent liabilities for goods and services provided to the association prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

#### **Employee benefits**

#### Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled wholly within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

#### Other long-term employee benefits

The liability for annual leave and long service leave not expected to be settled within 12 months of the reporting date are measured at the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

#### Defined contribution superannuation expense

Contributions to defined contribution superannuation plans are expensed in the period in which they are incurred.

#### Goods and Services Tax ('GST') and other similar taxes

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST receivable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

#### Note 3. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. There are no critical accounting judgements, estimates and assumptions that are likely to affect the current or future financial years.
