Greg Dick - Wakehurst

Greg initially became a member of Wakehurst when his children started playing in 2001.

However, where Greg has made significant contribution to Wakehurst has been since he joined the Committee in 2013 as the Vice President – Ladies, which is a role he held until 2019 and as President from 2015.

In the period of Greg's presidency, the club has seen significant improvements in the total football offering and facilities available to our members.

These include: -

- Upgrade of lights at Hews Parade, that was funded largely by government grants
- Successful application for \$150,000 grant from the Asia Cup fund to assist in the funding for Lionel Watts synthetic fields, which is now arguably the best football facility in Northern Sydney
- Re-introduction of Summer Football, that now has as many players playing Summer Football as register with Wakehurst in the winter.
- Commencement of the Sydney FC/ MWFA extra training programs
- Focus on improving the governance and administration of the club.

However, it is small things that Greg does that largely go unnoticed that add to the contribution that Greg has made to the club. These include marking the grounds at Hews Parade and Lionel Watts (dragging his family into the fun as well), being the first to arrive and last to leave in setting up and packing up at Lionel Watts 2 – 3 times a week, liaising with Council to ensure that works performed at our fields are scheduled to avoid impact on the clubs activities amongst numerous other activities Greg does.

Russell Rogers – Manly Allambie United FC

Russell has played a leading role in our little club for decades, his selfless energy meaning thousands of young players have learned to love football at MAUFC, and created a culture where players choose to stay at the club for life.

Born Newcastle 19th March 1957, Russell started his football career in Newcastle as a full back, before moving to Sydney and playing as centre back for Pittwater Ressie. Defenders aren't generally known for their 'slipperiness' but in a game for Charlestown 4th division, the team received 11 yellow cards (notable as it broke a record) but had no one sent off. To this day Russell insists he wasn't given one (which of course begs the unanswered question of 'who got two'?!?!)

Having settled in the glorious Northern Beaches, his first voluntary role was with Under 6's at Curl Curl coaching his eldest son Daniel in the early 90's and he hasn't missed a year of volunteering in MWFA since.

Russell joined MAUFC 1994 and his coaching has covered the whole club from u6s boys to o40s women, along the way coaching his wife Gaby, daughter Cassie and sons Daniel, Chris, Anthony and David. One of his coaching highlights was taking the MAUFC U16 girls team to an undefeated season. Whilst numerous people have coached lots of players, few can claim to have fathered so many!

Russell has been working in the club committee since 2000 as coach, gear steward, grounds man, BBQ coordinator, Magpie Whisperer (vital role at Millers!) and as President from 2014 to 2019. Since stepping back from the Presidency, he continues as Gear Steward, Magpie Whisperer and several unofficial roles – whatever needs to be done to keep community football running smoothly.

Some of the highlights of his tenure include establishing the MAUFC Women's/girls program including the Women's Premier League which is the club's most successful team; initiating the MAUFC Hoodies given to each new player and which have become a local icon, and establishing the Development Program to support junior development.

Russell has a great ability to listen to people and their concerns and new ideas without judgment, to put out fires, delegate to the appropriate committee member and to engage people in a love of football. That is best seen with one of his strongest legacies – the strength of the Committee he established and which continues today, and which supports the continued growth and health of the Manly Allambie United club.

Chairperson's Report

What can I say about the season we have just had, other than another year massively affected by Covid.

It certainly was a year of frustrations with a few highs and lots of lows along the way. Let's hope that it is all behind us and we can move on to 2022 with the ability to live with Covid and return to some kind of normality with a daily routine. Whatever that may be in the football world.

During 2021 our numbers grew to 19826, an increase of over 1400 players, which is incredible considering the year we had in 2021. Our 17 clubs have played a remarkable role in this achievement and I want to sincerely thank the Club Presidents, Registrars and Committee members for your hard work and ability to deal with the many changes thrust upon us during this extremely frustrating season. Without your efforts none of this would be possible. I also thank each and every one of our stakeholders for the understanding that you have shown throughout this challenging period.

The massive growth in the playing numbers have their own challenges and I have to comment on the contribution of the MWFA committees, MWFA committee and the MWFA administration team who were all fantastic in rising to the demands that were thrown at them at different times during this difficult period. To you all, I can say on behalf of the MWFA Board, thank you very much.

On a positive note, we have now completed your clubhouse. It was a real shame that it couldn't be utilized at the end of the season as intended, however it is there for your use once Covid gets under control. I am confident that you will all get a lot of good use of the facilities. I would like to thank the many people from The District Club, Manly United and the MWFA that were involved in completing this project. The work you all put in is greatly appreciated. Thank you.

Finally, I would like to thank the MWFA Board for their dedication and commitment they have applied over the year. We have a very diverse Board that is made up of a very knowledgeable and talented individuals that will always present their view, argue the point and when decisions are required will vote for what is best for the good of the game. Your game. The Board will continue to look at ways to improve the quality of the service provided by the MWFA, in turn, hopefully giving you a better and more enjoyable experience.

I have intentionally not named individuals as there are too many to highlight,

Thanks to you all.

Have a great Christmas/Festive season and hopefully we can do it again next year, without Covid.

CEO Report

2021 – A Year we will never forget

2021 is a year that will live long in the history of the Manly Warringah Football Association.

After decades of dreaming, years of planning and a hectic 12 months of construction, the Cromer Park Clubhouse redevelopment project was finalized with the Manly Warringah Football Club re-opening in October 2021.

The Club has been re-branded, “The Far Post” and will open 7 days a week from 3pm to offer all of the Northern Beaches Football community, clubs and players a true “Home of Football” – a place to relax, gather and enjoy a meal or a drink where football will always be king on the TV and the chatter.

The Club has been designed to offer a modern, comfortable “football-focussed” home with a focus on food and beverage. It has a café, bar and a pub-style bistro “The Far Post” that will serve full dinner from Friday and Saturday nights with bar snacks on a Sunday afternoon.

It has indoor and outdoor seating with a 200sqm covered deck with lights, sound system and heaters looking out over the Cromer Park No. 1 field.

There is also an integrated sound system (inside and outside), AV facilities, a 65 inch TV with Sport streaming subscriptions and a TV projector to be able to watch major sporting events on a huge screen and hosts football events and functions.

The facility also boasts a modern physiotherapy practice, which is open 7 days a week for all members of the MWFA Football Community, as well as a gym and rehabilitation facility.

Profits from the Manly Warringah Football Club will be put back into football on the Northern Beaches through the Manly Warringah Football Association and Manly United Football Club.

Unfortunately, 2021 will also be remembered as a challenge, not just for community football, but life in general as the COVID-19 pandemic affected our lives for a second straight year.

There is no doubt it disrupted our football competitions and caused great frustration as we were forced to abandon the competitions after having to stop playing at the end of June.

But, as with last year, it did highlight once again how important grassroots football is to our community – not just from a sporting perspective but because grassroots football is the glue that keeps our local community together.

Football isn't just a game. It is our release on the weekend; a time to relax, enjoy the outdoors and get together with family and friends to “forget about life for a while”.

The year started with amazing success and optimism with the MWFA recording a record jump in player numbers – up by 1440 players and 103 teams.

Our official records will see 2021 having 19,826 players and 1474 teams with growth across all clubs and age groups.

The consistent growth across all areas of our playing base illustrates how much people missed playing during COVID and is a testament to the entire Northern Beaches football community.

Congratulations to all Clubs, their committees, volunteers, players, coaches and managers for what we collectively achieved in 2021.

Special mention and thanks go to the Club presidents and volunteers, the MWFA Board and the MWFA staff for the extra work involved in dealing with the COVID disruption.

For the second year running, we also worked to return a significant amount of money back to the grassroots with savings made due to the COVID lockdowns.

While in 2020 we returned \$553,000 to the 17 Clubs and the MWFRA, in 2021 we took the decision to give back surplus funds from 2021 direct to the players with around \$750,000 allocated to discounts on player fees for the 2022 season.

The greatest recognition is saved for the volunteers at our 17 Member Clubs that provide the heartbeat for our sport. From Club Presidents to the groundsmen, BBQ helpers to Committee Members; we would not be able to play each weekend without your tireless dedication and efforts.

For many of these volunteers, the changes in rules and restrictions were an additional burden to ensure that our football community remains intact.

The MWFA would like to thank the MWFRA, led by President Toby Williams, for the way they shared the can-do attitude required to function during COVID and worked with the MWFA and clubs in 2021.

While our competitions were abandoned without finalizing the regular season, the MWFA Board and 17 Clubs made the decision to declare competition winners and include an abbreviated promotion and relegation system between Men's Premier League and the AL1 competition.

Congratulations to the CC Strikers (men's) and Manly Allambie (women's) who took out the respective Premier League competitions.

In the AL1s, Avalon triumphed in the women's competition and Beacon Hill were declared winners of the Men's AL1 competition and invited to enter the Men's Premier League in 2022.

The promotion and relegation decisions were once again challenging with COVID disrupting the competition. The 1 up, 1 down component saw Beacon Hill promoted and Manly Vale relegated but the playoff process was shelved following the abandonment of the season.

The growth of the women's Premier League squad competition continued in 2021 with BTH joining the women's Premier League, making it a 9-team squad competition.

A big thank you to the members of the various Committees that assist with the running of our competitions. The Competition Committee, Registration and Grading Committee and Disciplinary Committee all functioned well in 2021 and helped us set up the season for a record 19,826 players.

I would like to thank the dedicated MWFA staff for their work in 2021 as we grappled with the COVID-19 disruption for a second straight season. To Lee-Anne Sestanovich, Angela Crandell, Eugene Lawrenz, Alysha Rowe and Sigrid Mulherin (MWFRA), thank you for your work throughout the year.

The MWFA would also like to acknowledge the work of the Manly United Board and staff in maintaining its focus of considering the Northern Beaches eco-system in all decisions to ensure unity continues to be a priority.

We continue to be a beacon of success across Football in NSW with the pathway from the grassroots never so evident as it was in 2021 when the MWFA and Manly had three players selected in squads for our Senior National Football teams.

Callum Elder (Mosman and Manly United) and Remy Siemsen (BTH and Manly United) fulfilled childhood dreams in 2021 by making their debuts for the Socceroos and Matildas. Late in the year former CC Strikers, Pittwater and Manly United junior Gianni Stensness also made the Socceroos squad.

This was a stunning result for football in our area and that number could well grow in coming years with many locally produced players selected in junior National Teams. Former CC Strikers and Manly United players Patrick Wood was a standout, scoring two goals to qualify the Olyroos for the 2022 AFC Asian Cup.

We also have a large number of local players in the A-League and W-League with Sydney FC, Central Coast Mariners, Western United, Newcastle Jets and Macarthur Bulls.

Football is thriving on the Northern Beaches and is well placed to come out of the COVID-19 pandemic bigger and stronger than ever.

We look forward to a return to normal in 2022 and 12 months where we can start talking football and matches instead of COVID Plans and disruptions.

Finance Report

Another year has passed and the COVID disruption has continued to make our lives reactive and has continued to challenge everyone and present different issues to address.

Despite all these challenges, the MWFA has reported an operating loss before development levy revenue and grants of \$32,471 for the year ended 30 September 2021 (2020: \$146,325 Profit). In 2021, an additional net \$175,004 was collected for the Facility and Sportsfield development fund as compared to \$180,680 in 2020.

The key points to note in this year's results are: -

- Player numbers increased to 19,826 from 18,360 in 2020. Given the disrupted COVID-19 season in 2020, these player numbers were an outstanding result. This resulted in increased revenue from player subscriptions of \$229,054 as compared to last year.
- We received government assistance via the JobKeeper grants and Cash Boost programs that amounted to \$27,394 (2020: \$169,260). These funds relate to money from the 2020 financial year that were received in November 2020. The MWFA elected not to apply for any additional JobKeeper and Cash Boost grants in the current year.
- There were significant cost savings achieved, which included: -
 - o Northern Beaches Council and Mosman Council reducing the fees for ground hire and lighting that saved us \$95,989 from what was due based on our registered player numbers in 2021 (2020: \$283,879).
 - o Reduced fees paid to FNSW due to shortened season saved the MWFA \$101,195 (2020: \$180,845).
 - o Significantly lower referee fees paid of \$253,451, which was \$100,816 lower than 2020 due to shortened playing season.
 - o Reduced trophy costs, finals day expenses, equipment costs due to the changed nature of the season.
- Due to the increased player numbers, numerous cost savings and government funding initiatives that the MWFA was able to access, we have set aside \$750,000 to return to MWFA players in 2022. In 2020, \$502,727 of the savings were returned to our clubs to assist them with their financial losses associated with the impact of COVID-19

Net Asset Position and Budgets

The MWFA's net asset position has continued to improve because of the improved trading result.

As at 30 September 2021, there was \$619,755 (2020: \$1,249,451) held in the Facility and Sportsfield development fund. This balance has reduced in 2021 due to \$816,000 being contributed to the Cromer Park Clubhouse redevelopment project, that was partially offset by the receipt of \$175,004 in development funding levies received this year. This investment is protected by a Memorandum of Understanding that ensures that this investment will be secured by an increased mortgage over the Cromer Park Clubhouse building and land and an agreement that the MWFA will not pay any rent for the use of the offices at Cromer Park for the next 24 years.

Given the extensive capital works that Northern Beaches Council have been undertaking on our playing fields, the MWFA Board has commenced a review of our strategic goals that will set the parameters for future budgets and use of the Facility and Sportsfield levies collected.

Other Matters

We have received the draft audit closing letter from Paul Turner and John Watson of Turner Watson Corporate Service, and they have not identified any significant matters to be addressed. There are some minor process improvements that we will implement soon.

Given the financial result in 2021, the MWFA Board has resolved to keep the registration fees for 2022 the same as 2021 unless there is a significant change in FA and FNSW fees, that was unknown at the time of this report.

Lastly, I would like to thank David Mason and Derek Turner for their efforts and support over the past year, which had so many challenges that none of us could have expected or anticipated. David has again stepped up to the same but different challenges that this year has presented.

Coach Development Report

My third year with the Manly Warringah Football Association got off to a strong start, and like everyone else, I was disappointed we were not able to complete the season and put in place a number of coach development projects and events we had planned for the second half of the year. I have however highlighted the key achievements from 2021 below, and I'm looking forward to continuing and improving on all of these in 2022, with several big changes and new initiatives currently in development, all of which will be announced in time for next season.

COMMUNITY COACHING COURSES

Despite the season ending early, we were still able to offer 20 official community courses this year, catering to 372 coaches, which is a new record. This number includes more than 97 female coaches, which is almost double the previous 2 years and makes up 26% of the total. This is thanks to another very successful Female Only MiniRoos course, as well as our first ever Female Skill Training Certificate, which were both presented by female Coach Developers.

Our MWFA Coach Development Team has now grown to a total of 15, and I would like to thank all MWFA Coach Developers for their efforts and contributions in presenting these courses, as well as all of the clubs who hosted them, or even just helped with promotion.

COACH WORKSHOPS

We were able to offer 16 unofficial coach workshops at both Cromer Park and various clubs in the first half of the year. These gave another 270 or so coaches ongoing guidance throughout the season to complement their official course, or as their first exposure to coach education. Unfortunately, several others that were scheduled or planned had to be cancelled, but we will look to continue offering a large number of these workshops every season moving forward.

One of these events was a Coaching Expo held at Cromer Park in partnership with Football Coaches Australia, video of which is now available online on our website, along with various other coaching resources. I'd like to thank the players from the Manly United U18 Boys players, as well as the coaching staff, for their support and contribution to this successful evening.

ADVANCED COACHING COURSES

We were able to run 2 x C-Licence courses (a Senior C-Licence in November 2020 and a Youth C-Licence in February 2021) giving more than 50 coaches the opportunity to progress through the first stage of the advanced coaching pathway. We were also able to offer 2 x C-Licence Live Assessment

Days mid-season, offering 10 of these coaches the opportunity to complete their final assessment sessions at Cromer Park rather than needing to film themselves.

Football Australia will be implementing several changes to the coaching course pathway for the 2022 season, including making courses more flexible, which we will share with everyone when the final structure has been communicated.

FEMALE COACHING SCHOLARSHIP PROGRAM

Due to the season being abandoned, we have not yet promoted or selected any female coaching scholarship winners for 2021, however it is still our intention to do so, allowing us to continue showing our commitment to increasing the number and quality of female coaches on the Northern Beaches, who can then share their new knowledge and support other female coaches at their respective clubs.

We will also be looking to offer other scholarships in 2022, to give an even greater number of coaches the opportunity to attend advanced level courses and raise the level of coaching across the region, without having financial challenges being a barrier to achieving this goal.

FUTURE COACHES PROGRAM

The Future Coaches Program was fantastic success last year, with 18 participants joining the program (including 6 who returned as mentors the second time around). These coaches were taken through an intense personal development program, to help each of them reach their potential and achieve their coaching goals. There were several special guests and additional opportunities to collaborate and support each other outside of the weekly sessions, and there were again several great success stories.

This program continues to be a highlight of the year for me, because we get to see coaches progressing and achieving meaningful outcomes with their teams or in other football roles they undertake, and I look forward to offering it again moving forward.

PARENT EDUCATION

We ran another 7 Game Leader (volunteer parent referee) workshops this season, catering to 216 people, which was equivalent to the total number from the last 2 years combined. Next season we will also be looking to offer some new ways of supporting parents and clubs.

CCC PROGRAM

I would like to thank and recognise all of the hard work CCCs (Club Coaching Coordinators) put in this season to support their coaches and players. Many clubs in MWFA were still able to achieve good things and make progress with coach development in 2021, despite the season being cut short.

MWFA has some exciting plans for how we can improve the support provided to clubs and their CCCs in 2022, which we will announce soon. This is probably the most important initiative established in the FA Coach Education framework, and also what will make the greatest difference not only to the quality of players we produce in this country, but more importantly, the quality of the experience all of our players have (which will hopefully result in them staying in the game over the long term).

Coach development as an investment, not a cost.

I'd like to finish by again thanking everyone who supported coach development in MWFA this year, and I look forward to working with you all again towards creating an even better football season in 2022. Have a great summer and stay safe.

Eugene Lawrenz
MWFA Coach Development Manager

Manly United FC – Technical Director Women's Football

2021 saw the Manly United FC women's program field teams in the FNSW NPL Competition in grades 14, 15, 17, Reserve Grade and First Grade.

This year, due to COVID, the season was cut short, hence no finals were played.

11 of the 18-man First Grade squad this year were Manly United juniors and 8 of the squad have secured W-League contracts with Sydney FC, WSW and Newcastle Jets.

Remy Siemsen was selected in the Matildas squad for the most recent games v Brazil and the upcoming games v USA.

Kahli Johnson was also a fulltime scholarship holder with the Future Matildas program and a member of the Young Matildas, who unfortunately didn't get to play any games due to COVID.

Other mentions in relation to national programs are Jenny Hill and Sienna Dale both of whom were identified in the Junior Matildas training group this season.

Our youth development programs, playing style, fair play, integrity, and facilities are second to none, along with highly qualified, experienced and dedicated coaching staff, which is why we are often referred to as the 'model' women's youth development program in NSW.

Once again, I consider myself fortunate to have held the position of Technical Director of the women's program at Manly United FC this year. Our players are a delight to work with from the SAP and Development Squad programs right through to First Grade. Most of them have learnt their trade at MUFC, many from as young as 10.

I know I speak for our coaching staff when I say that we are very fortunate to be charged with the responsibility of developing the best of the best on the peninsula and every year we work harder to do just that, whilst ensuring we have a balanced, nurturing environment where enjoyment and development is paramount, particularly in the youth grades. Believing in what we do, not veering from the script and working together as a unit is why we are at the top of the women's game in NSW.

This year saw the 8th year of our Girls SAP (Skill Acquisition Program) and our 5th year of the full-time program in grades 10, 11, 12, 13.

Our Girls SAP program is underpinned by four development squads for players registered in MWFA clubs – U10, U11, U12 and U13.

We have a commitment to developing home grown juniors so that our senior squad continues to draw from our youth grades both in the short term and in the future and the Girls SAP is certainly providing the best platform for this to continue.

Unfortunately, due to COVID, our TRY SAP Day could not go ahead this year for the local MWFA junior girls.

We are in the business of developing elite footballers for Manly United and beyond, whether that be the W-League or National Teams and I am proud to say we are on track.

Sharon Egger
Manly United Technical Director

Manly United FC – Technical Director Mens Football

The 2021 football season has been a year of highs and lows more than any other year. After the COVID-19 interrupted season last season, everyone was so excited and grateful to be back playing football again. Only to have the season brought to a sudden halt and then an unfortunate early end. On one hand it was a very difficult time following the termination of the competition season, however, on the other hand it was so great to see how we all stay connected and worked together to stay motivated over the course of the lockdown. Zoom meetings and group chats suddenly became the norm and each team and individuals were coming up with really creative ways to stay engaged and enjoy their football in one way or another.

All programs started the year very positively under the distinguished guidance of our 2021 Technical Director, Andrew Christiansen. Our BYL program finished the first half of their season in the top 6 of their competitions which moved them into the NPL1 tier for next season, which a lot of the credit must go to Andrew and the coaches for their time and effort, as well as their belief in what Andrew was aiming to achieve in the Youth League space. Our AYL teams were all strongly competing in their respective competitions and sitting high up on their age group ladders. All coaches and players were buying into the Youth League plan that Andrew had spent so much time developing and we were starting to see some great results in terms of the players development. It would've been great to see the rest of the season play out to see just how much more the boys would've improved and I'm sure there would've been a large portion of our teams enjoying some finals football to reward their efforts.

Joe Fox, our Head of SAP & Development Squads, was instrumental in leading these programs this season and alongside the coaching staff were doing an amazing job of helping our young players enjoy their football while developing them at the same time. It was also great to see so many creative videos come out of the lockdown period from all the SAP players. We look forward to seeing them progress next season and hope we can have an uninterrupted year for the boys to develop and enjoy their football.

In our senior space, Adam Griffiths led our First Grade team as Head Coach and the team was growing game by game and looking to finish the season very strongly. It was great to see a balance of young and older players working together to play an attractive brand of football. Something tangible for our young players to aspire to and the continual focus of development in our Senior space creates a string pathway for our young talent.

As each year ends and another begins, we have the opportunity to look back upon the season that was and recognize all the people involved and thank them for their efforts.

To the players and parents, we thank you for your patience and understanding in what must have been an extremely difficult times for families. Your commitment to our club is greatly appreciated and the support you have provided the technical staff has been instrumental in helping us manage a very testing season. We hope to have an uninterrupted season and give the players the best chance to develop and enjoy their football. We also had quite a few BYL players move onto A-League Academies and AYL players move onto BYL teams so congratulations to those boys. Our main aim is to develop players and we wish them all the best next season.

To our admin staff and our CEO David Mason, who have worked tirelessly to keep everything going and supporting the coaches and technical staff to deliver some sort of football during the lockdown period. They also had to constantly work with FNSW and the NSW Government to keep up to date with all COVID-19 protocols during the initial return to the 2021 season.

A very special thank you to our coaching staff. It has been a pleasure working with them all and we are lucky to have them leading our most talented footballers. We have a significant role to play in developing

these young boys and men as players and as people and I believe we are doing a fantastic job of that. The extra mile that all coaches went to ensure their teams stayed engaged through the lockdown period was amazing to see and a credit to them. I know players and parents alike were extremely grateful for your efforts.

Last but not least, a huge Thank you to our outgoing Technical Director, Andrew Christiansen. This was his third season as Technical Director and he had spent many years before that coaching multiple teams. Andrew has moved onto the Central Coast Mariners A-League space and will be the Head Coach of the NPL team, which is a huge achievement and a well deserved one at that. We thank him for his time at Manly United FC and the huge impact he has made on the club and wish him all the best in the future.

I hope to build on the strong foundations that have been created here at Manly United FC and constantly grow our programs to focus on developing elite footballers from the Northern Beaches.

Sam Gallagher
Manly United Technical Director

Judiciary Report

Disciplinary Committee are responsible for;
Judiciary
Protest & Disputes
General Purpose Tribunal

As has been the case for previous seasons the abuse of match officials is still at a level that is not acceptable, this needs to be addressed at judiciary each week.

There have been lengthy suspensions handed down this season the message does not appear to be getting through to the players and team officials.

This season we have more junior players receiving cautions and send-offs for a variety of offences. We continue to publish suspensions each week on the web site, hoping this would make players, spectators and coaches aware of the seriousness of being sent off.

Thank you to the panel that give up their time every Wednesday night.

David Wilson – Chairman
Tony Cavalieri
Angie Carey
Mark Gale
James Raphael
Chris Tomlinson
Craig McBurnie – MWFRA Representative
Alternate Members
Leon Brilman
Bruno Cara

We also had a member from each MWFA club sit on the panel on a weekly basis to assist clubs and players to get a better understanding of how the Disciplinary Committee works. This was beneficial to all and will continue next season.

Lee-Anne Sestanovich

Judiciary Secretary

|--------|---|--|
| | <p>8.1 Greg Dick</p> <p>The Wakehurst Football Club would like to recommend Greg Dick significant contribution to our club be acknowledged by the awarding of a MWFA meritorious service award.</p> <p>Greg initially become a member of Wakehurst when his children started playing in 2001.</p> <p>However, where Greg has made significant contribution to Wakehurst has been since he joined the Committee in 2013 as the Vice President – Ladies, which is a role he held until 2019 and as President from 2015.</p> <p>In the period of Greg's presidency, the club has seen significant improvements in the total football offering and facilities available to our members.</p> <p>These include: -</p> <ul style="list-style-type: none"> • Upgrade of lights at Hews Parade, that was funded largely by government grants • Successful application for \$150,000 grant from the Asia Cup fund to assist in the funding for Lionel Watts synthetic fields, which is now arguably the best football facility in Northern Sydney • Re-introduction of Summer Football, that now has as many players playing Summer Football as register with Wakehurst in the winter. • Commencement of the Sydney FC/ MWFA extra training programs • Focus on improving the governance and administration of the club. <p>However, it is small things that Greg does that largely go unnoticed that add to the contribution that Greg has made to the club. These include marking the grounds at Hews Parade and Lionel Watts (dragging his family into the fun as well), being the first to arrive and last to leave in setting up and packing up at Lionel Watts 2 – 3 times a week, liaising with Council to ensure that works performed at our fields are scheduled to avoid impact on the clubs activities amongst numerous other activities Greg does.</p> <p>The MWFA presented Greg with a Meritorious Service Award.</p> | |
| | <p>8.2 Sigrid Mulherin</p> <p>Sigrid first volunteered her time to Beacon Hill Youth Club's Football section back in 2010.</p> <p>In 2010, Sigrid started off as a Sub Junior Co-Ordinator & her roles through the years as follows:</p> <p>2011 Sub Jnr Co-Ordinator & Treasurer 2012 Sub Jnr Co-Ordinator & Treasurer 2013 Sub Jnr Co-Ordinator & Treasurer 2014 Treasurer 2015 Treasurer, Assistant Registrar 2016 Treasurer, Assistant Registrar, U12-14 Co-Ordinator 2017 Treasurer, Assistant Registrar, U12-14 Co-Ordinator</p> | |

| | | |
|--|--|--|
| | <p>2018 Treasurer, Assistant Registrar, U12-16 Co-Ordinator, MPIO Officer, Website Co-ordinator 2019 Treasurer, Assistant Registrar, U12-16 Co-Ordinator, MPIO Officer, Website / Facebook Co-ordinator</p> <p>Since 2014 Sigrid has also organised and/or assisted with Grading schedules and each season's end of year Presentation days for the Junior & Youth teams. Since 2013 Sigrid has been in control of Club Photo days up until 2018 and then till now has assisted in photo days. Sigrid has organised many Soccer camps over her time on the committee.</p> <p>This year in 2020, the turbulent year of COVID-19, Sigrid has handled the positions of Treasurer, Head Registrar & Website / Facebook Co-ordinator.</p> <p>The MWFA presented Sigrid with a Meritorious Service Award.</p> | |
| | <p>8.3 Russell Rodgers</p> <p>Russell has played a leading role in our little club for decades, his selfless energy meaning thousands of young players have learned to love football at MAUFC, and created a culture where players choose to stay at the club for life.</p> <p>Born Newcastle 19th March 1957, Russell started his football career in Newcastle as a full back, before moving to Sydney and playing as centre back for Pittwater rezzies. Defenders aren't generally known for their 'slipperiness' but in a game for Charlestown 4th division, the team received 11 yellow cards (notable as it broke a record) but had no one sent off. To this day Russell insists he wasn't given one (which of course begs the unanswered question of 'who got two'?!?!)</p> <p>Having settled in the glorious Northern Beaches, his first voluntary role was with Under 6's at Curl Curl coaching his eldest son Daniel in the early 90's and he hasn't missed a year of volunteering in MWFA since.</p> <p>Russell joined MAUFC 1994 and his coaching has covered the whole club from U6s boys to O40s women, along the way coaching his wife Gaby, daughter Cassie and sons Daniel, Chris, Anthony and David. One of his coaching highlights was taking the MAUFC U16 girls team to an undefeated season. Whilst numerous people have coached lots of players, few can claim to have fathered so many!</p> <p>Russell has been working in the club committee since 2000 as coach, gear steward, grounds man, BBQ coordinator, Magpie Whisperer (vital role at Millers!) and as President from 2014 to 2019. Since stepping back from the Presidency, he continues as Gear Steward, Magpie Whisperer and several unofficial roles – whatever needs to be done to keep community football running smoothly.</p> <p>Some of the highlights of his tenure include establishing the MAUFC Women's/girls program including the Women's Premier League which is the club's most successful team; initiating the MAUFC Hoodies given to each new player and which have become a local icon, and establishing the Development Program to support junior development.</p> | |

| | | |
|----------------|---|--|
| | <p>Russell has a great ability to listen to people and their concerns and new ideas without judgment, to put out fires, delegate to the appropriate committee member and to engage people in a love of football. That is best seen with one of his strongest legacies – the strength of the Committee he established and which continues today, and which supports the continued growth and health of the Manly Allambie United club.</p> <p>The MWFA presented Russell with a Meritorious Service Award.</p> | |
| Item 9 | Presentation and adoption of 2020 Annual Report | |
| | <p>Dave Wilson called for a motion that the Annual Report (including the financial statements) be accepted by the meeting. This was motioned by Ray Fanning and seconded by Greg Dick.</p> <p>Vote - 20 for and 0 against CARRIED</p> | |
| Item 10 | Presentation of the 2020 Financial Report | |
| | <p>Joseph Sorbara reported that John Watson, Auditor, had formally signed off the accounts with the MWFA showed a final profit of \$572,033. This was mainly due to the Northern Beaches Council waiving ground hire fees during the COVID-19 pandemic; \$190,000 discount off FNSW and FFA fees; and Government grants to assist with the financial burden during the global pandemic. Joseph thanked all the Clubs for an amazing year under unprecedented circumstances.</p> <p>This was formally adopted as part of the Annual Report under agenda item 9. There were no questions from the floor.</p> | |
| Item 11 | Adoption of 2021 Budget (including consideration of Honorariums) | |
| | <p>Joseph Sorbara highlighted the main aspects of the proposed 2021 Budget that included a small increase in the PL fees, due to an increase in referee fees for a 22 game season. Revenue expectations were business as usual which forecast a loss of \$140,000 for 2021. Income of \$20,000 would be lost from interest revenue.</p> <p>As per previous communication and resolutions, \$700,000 would be spent on the Clubhouse Redevelopment project as part of the MOU with Manly United and the MWDSFC.</p> <p>There would be no changes to staffing; trophies were under review; registration costs would increase by \$30,000 due to the transfer from the current iCompman to the preferred dribl system. This new system offered greater flexibility, a superior experience for the user (players and registrars) and offered more future certainty.</p> <p>Overall, the budget looked in a good position despite the forecast loss. The Board had endorsed the 2021 Budget.</p> <p>Ray Fanning moved that the 2020 Budget, including consideration of Honorariums, be adopted. This was seconded by Greg Dick.</p> <p>Vote - 20 for and 0 against CARRIED</p> | |

| | | |
|----------------|--|--|
| | <p>John Watson, the Auditor, spoke to the distributed financial reports highlighting the accounts were good especially under COVID-19 circumstances, and resulted in a good profit. He noted the MWFA had encouraged all Clubs to uphold revenue to maintain financial viability, and together with the hard work by Dave Mason and Joseph Sorbara all Clubs received discounts to have sufficient funds to ride out the COVID-19 disruption and the MWFA was in a strong financial position.</p> <p>Joseph Sorbara thanked John Watson for his work and support.</p> <p>John Watson signed off on a clean auditor's report for the MWFA.</p> | |
| Item 13 | Appointment of Auditor for 2021 | |
| | <p>Linda Ward moved that John Watson Corporate Services continue as auditor in 2021. This was seconded by Joseph Sorbara.</p> <p>Vote - 20 for and 0 against CARRIED</p> | |

All present warmly congratulated the Board for their efforts.</p> | |

The results were:</p> <p>Joseph Sorbara – received 7 votes Rhonda Ferguson – received 6 votes David Anglicas – received 4 votes Annette Burgoyne – received 1 vote</p> <p>The two affiliates, Manly Utd and the District Club, did not vote.</p> <p>Joseph Sorbara, Rhonda Ferguson and David Anglicas were duly elected with Joseph and Rhonda for a three year tenure, and David on a one year tenure. (The one year tenure position can be re-elected in 2021)</p> <p>Ray Fanning moved that all nomination papers be destroyed. This was seconded by Toby Williams.</p> | |
