EVENT OVERVIEW

Manly Warringah Football Association and Northern Suburbs Football Association are delighted to confirm the return of the Champions Cup.

First introduced in 2020, Champions Cup is now an annual event in the competitions calendar. The event sees all MWFA and NSFA teams that have been invited to compete in the Champions of Champions competition to play against one another in preparation of their Champion of Champions journey.

Champions Cup was first introduced in 2020 as an opportunity to claim more silverware in light of the Champion of Champions cancellation. The 2021 edition was unable to take place due to the abandonment of the grassroots football season.

Perpetual trophies are presented to the winning association of the male competition and to the winning association of the female competition. MWFA currently hold both trophies and they will be hoping to retain it again this year.

2022 also sees the addition of the Men's All Age fixture for the first time, pitting the Premier League competitions against each other which will take place at 5:30pm at Cromer Park, Field 1.

The competition will take place on Sunday, September 11th at Cromer Park, Charles Bean Oval, and Cammeray Oval with the mixed and men's competition at Cromer Park and the girls and women's at Charles Bean and Cammeray Oval.

Teams that will be representing the associations at Champions of Champions will be automatically entered.
