### Peter Auld – MWFA Registrar

Peter Auld is the true illustration of the term “Quiet Achiever”.

Peter is one of two current MWFA Registrars, taking responsibility for the registration requirements of all MWFA Competitions.

Through the role he plays an integral part in ensuring 19,500 players get onto the field at the start of every season.

Peter also plays a leading role in ensuring our clubs and players are compliant at the start of each year as well as the end of season reconciliation of player numbers and records.

Peter has held the position of MWFA Registrar since 2014 and sits on the MWFA Registration and Grading Committee but his contribution to football extends way back to when he joined the Manly Vale Football Club in 1966. He has filled many positions at Manly Vale, but his greatest contribution has been through his work as Registrar, and he still runs around in the Manly Vale Over 45 division 3 team.

In 2005 Peter was awarded the MWFA Meritorious Service Award for his work with Manly Vale Football Club.

Peter is a tremendous servant to the game and an asset to the Manly Warringah Football Association and we have no hesitation in nominating Peter Auld for the Football NSW State Award.

## Football NSW State Awards

### Annette Burgoyne – MWFA Registrar

Annette Burgoyne is a long-standing servant of football on the Northern Beaches, dating back to the days when her father Don Gale and late mother Lorna Gale were leading figures in the Manly Warringah Football Association.

Annette is one of two current MWFA Registrars, taking responsibility for all MWFA Competitions.

Annette plays an integral part in ensuring 19,500 players get onto the field at the start of every season and also plays a leading role in ensuring our clubs and players are compliant at the start of each year and Club Registrars are comfortable with all aspects of the Club registrar role.

Annette has been an MWFA Registrar since 2018 and sits on the MWFA Registration and Grading Committee but her volunteer work at grassroots level goes right back to the 1990's with her beloved Pittwater Football Club.

During her time at Pittwater she has been the President for 7 years over three different stints, Registrar from 2000 – 2011 and 2015-2019, Competition Secretary and Age Manager for numerous teams over many years.

In 2007 she was bestowed Life Membership of Pittwater RSL Football Club and in 2006 she was awarded the MWFA Meritorious Service Award for her work with Pittwater RSL Football Club.

Annette is a tremendous servant to the game, following in the footsteps of her father and late mother, and an asset to the Manly Warringah Football Association. We have no hesitation in nominating Annette Burgoyne for the Football NSW State Award.

## 2021 Meritorious Awards

### Vince Santarosa - Brookvale

Vince is a quiet achiever and works behind the scenes running as Club Treasure a position he has held for 16 years but his association in the local football community from a young age will reveal his total involvement to our code.

Vince at present is also on the recently formed Brookvale FC Executive committee which was set up to run the club in an efficient way as the club was increasing in size with now 85 teams and over 1100 registered players.

Vince played at leading role in the formation of this Executive committee, the system works very well. Vince junior career started at Curl Curl in the (U/12s) in 1975 and then moved to Manly Vale for several years. He then saw the Azzurri blue light and came across to Brookvale FC in the 1990's.

Played in the amateur league competition with some of his mates for Brookvale in 1999, that year he also became a member of the clubs general committee. Vince then was appointed the clubs AL/div 1 coach for Brookvale from 2003 to 2005.

Vince was appointed club treasurer in 2004 and assisted the club in raising the necessary finances to purchase new playing shirts for the club as the club was increasing in playing numbers, a trend which is continuing to this day. Along with his treasurers' duties Vince was appointed Men's PL coach in 2004. A position he held for 5 years until 2008.

Vince had outstanding success as the PL coach winning both championships and finals while he was in charge, alongside his brother Joe assisting him and then Joe took over from Vince in 2009.

In 2006 Vince was on the organising committee that ran a fund-raising event (an all-day 6 a side tournament) for the COBRA AND MONGOOSE organisation. This organisation was founded by former Brookvale player and P/L coach MICHAEL SYMONS which raises funds and then builds schools, homes etc in 3rd world countries. This 6 a side tournament raised over \$8000 it was highly successful. Brookvale FC has an ongoing commitment to this organisation by providing unused playing shirts to these 3rd world countries, Vince is involved with this process.

His work as treasurer, committee member since his coaching days has been outstanding, making himself available to the club, at any time. Vince can be seen at Grahams Reserve most Saturday morning helping to get the clubs highly successful canteen operations in order. Vince also makes his work office available for club meetings.

## Leon Brilman - CC Strikers

Leon has been involved with football on the Northern Beaches since the early 1970's, starting as a junior in the now defunct Manly Soccer Club, only retiring from playing in 2020.

He has also been a registered referee starting at the age of 15, he continues to officiate at both winter and summer football competitions to this day.

Leon's association with Collaroy Cromer Strikers started in 2005 when he joined the mighty Over 35's team as the always reliable man "between the sticks". Well, reliable may be a bit of a stretch. His management of the team esky is legendary amongst the senior players.

He has been a member of the Strikers committee for over 10 years holding various positions during this period. In each of the past 5 seasons he has held the multiple positions of grounds man, gear steward, delegate to MWFA and a member of the Striker's executive.

Leon is solely responsible for the order of kits and equipment for the entire club. The preseason is filled with him sorting the 1600+ shirts, socks and training equipment into team bags for the Coaches and Managers. Each season sees him setting up his garage for the usual stampede of parents wanting to swap gear that may not be the correct sizing for their kids.

During the season you will see him at 7:00am every Saturday and Sunday morning setting up the St Matthews fields and then bringing the equipment back in at the end of the day ... all in his bare feet.

He is the first to volunteer for additional roles around the club, assisting on registration days, musters and being the general handyman around the clubhouse, always with a smile on his face.

Last year he was awarded the MWFA club person of the year. There would not be a person involved with the CC Strikers that would not support Leon's nomination for this award as a recognition of his outstanding service to the club.

## Aaron Kemp – Curl Curl

Aaron has been involved with Curl Curl for more than 12 years as a player, coach and committee member. He started playing in Men's All Age and as coach of his eldest son's team and soon moved onto the committee serving as Senior Men's Age Coordinator, Vice President from 2011 – 2014 and Coaching Director from 2013 – 2016.

As part of the vision of a pathway for our junior players, in 2013 Aaron conceived, developed and implemented our first Junior Development Program with support from the coaching and wider committee, aimed at improving the skills of our U6 – U10 players. This program was so well received that it has been continued and expanded ever since and is now in its 9th year.

Aaron's passion for coaching led him to undertake the C-Licence course and he went on to coach in State League for both Manly United and Northern Tigers. During this time he maintained his links with Curl Curl – coaching an O35 ladies' team, being part of our club coaching committee, supporting our club coaches and delivering MWFA coach education courses.

In 2019 he coached Curl Curl U18/1 team to the minor premiership and qualification for FNSW Champion of Champions and was recognised for his coaching efforts, being chosen to coach the MWFA Select Team for their annual match against Manly United U18. Following this the boys moved to AL1 where he has continued to coach. The same year, 2019, he also coached his younger son's team to the U13/1 MWFA Grand Final and the Kanga Cup Grand Final.

Aaron is dedicated to excellence in coaching and to developing both the physical and mental skills required of players, he has twice won the club Coach of the Year award and was Club Person of the Year in 2011. He has supported not only our junior players but also our volunteer coaches. Aaron is a valued member of our soccer community and has been instrumental in the development of our strong coaching program at Curl Curl.

## Gaby Rodgers – Manly Allambie

Gaby is one of those invaluable generous souls who keep community sport running. Her service to Manly Allambie United FC has been meritorious for sure.

Along with husband Russell she has raised a good proportion of the club's first teamers in recent years – both men's and women's, and being a Doula, has welcomed a few other players into the world too!

But her volunteering is what sets her apart. After joining the Committee in 2001, she has held numerous positions including Women's VP, Results Officer and Canteen Manager where she provides the warmest of welcomes and runs a great BBQ!

In the bad old days, all managers had to phone in results or leave a card at the canteen. They were notoriously bad at doing so. So at least two hours every Sunday night before the 7pm deadline Gaby would chase up results often having to ring around every member of the team to get the result in time. Overseas holidays were no impediment to Gaby's dogged determination and many a captain was woken from his slumber on the other side of the world if necessary. In 10 years, this went on and on, and never did any of them complain because of her lovely manner and the high esteem in which she was held.

If we had to put the results in late Gaby was the only one, I believe that could get the famous Syd Russell (no relation) to relent and accept the results late. He was a stickler for the rules and was notorious as such throughout the MWFA.

When husband Russell became President, he insisted on a role shuffle so he and Gaby could get their Sunday nights back. So, Gaby took over the canteen from the late great Mr Catchpool and his wife. Gaby became an expert on where to buy the cheapest and best produce around Manly.

Every Thursday night she can be seen scrutinizing the draw to work out how many bread rolls, sausages, onions and eggs will be required the following weekend. Every sat morning and Sunday morning Gaby gives 'service with a smile' down at millers, stays to watch her kids in the afternoon and every then in the evening balances the books and laments poor sales of the discounted banana bread.

Her own stellar playing career began pretty late. At the age of forty she was promised 10mins in the WAL3s to see if she liked playing or not. Unfortunately, it was 35 degrees and they only had 9 players. But of course, she loved it and is still playing now.

## Louise Walker – Mosman

Louise Walker has a long and enviable track record of commitment to supporting organisations aimed at enhancing the community. Among other things, she is currently a director of 4 such organisations including being the President of *Active Opportunities*.

*Active Opportunities* aims to provide accessible sport programs to all children with a disability. In partnership with Manly United Football Club and Lindfield Football Club the program uses short, game-based activities as a fun way to introduce kids to football in an inclusive way.

Louise assumed the presidency of *Active Opportunities* in December 2020 with a stated desire to help expand its reach to enable more kids to get the chance to enjoy and benefit from the program.

At the local football level, Louise has played with great enthusiasm for Mosman Football Club since 2010. In 2013, Louise assumed the role of Mosman Club President; a role she filled with distinction and great dedication for 6 years. During her time as President, Louise invested countless hours in advancing the Club's aims and in progressing football in the local area.

She clocked up considerable miles each weekend as she travelled the Northern Beaches and Mosman playing fields being a highly visible club leader and supporter. In her role as President, Louise was also a regular attendee and contributor to discussions at the then MWFA Council of Clubs meetings. During 2018 and 2019, Louise also assumed the role of the Club's Vice President, Youth in addition to her responsibilities as Club President.

Louise is also a former MWFA Vice President – Women; a role she filled in 2016 and 17. Louise remains a much sought after source of advice on club administrative issues and remains ready to share her experience when asked. Louise continues to volunteer to assist with special projects, most recently participating in the MWFA's working group reviewing additional development programs and academies.

Mosman Football Club is indebted to Louise for her commitment to the Club (and broader community) over many years and is pleased to nominate Louise for a MWFA Meritorious Service Award for 2021.

## Wendy Waters - Narrabeen

Wendy Joined the Narrabeen Football Club Committee as Club Secretary in 2008 and held this crucial role for 4 years up to and including 2011.

After having a season off from committee duties in 2012, Wendy returned to the club and created history by taking on the role of Club President in 2013 making Wendy the first and still the only woman to have held this position at Narrabeen Football Club.

Wendy put her impeccable administration skills to good use for the following 5 years as Assistant Registrar from 2014 to 2018. Continuing on as Women's Registrar for 3 more years from 2019 to 2021 and assisting greatly in the processing of the rapidly growing numbers of participants, particularly in the women's football ranks.

Outside of Narrabeen Football Club commitments, Wendy has managed her sons' teams for several years as well as holding a Directors position on the Narrabeen Youth Club Committee for 10 years.

Fortunately, Wendy has also been able to enjoy her love for the game on the field as a player in various senior women's competitions from 2012 to 2021 and has also been a member of the MWFRA as a referee.

Wendy's tenacity, selflessness and dedication is just as evident on the field as it has been in the many roles she has held within the club for the past 13 years.

Wendy has been a massive asset to the Narrabeen Football Club community, however sadly Wendy has decided to step down from her role at the end of the 2021 season. She will be greatly missed and leaves an incredibly big pair of shoes to fill in her absence.

The Narrabeen Football Club and all of its members feel that Wendy is highly deserving of recognition by the Association for the many years of dedication, commitment and passion that she has displayed not only for her club but for the game and most importantly for her contributions to the local football community

## Jo Sloots – St Augustines

Jo is a volunteer parent who holds a wide range of positions on the Saints Football Committee. Primarily her role started in 2018 as Registrar, but Jo's enthusiastic and caring approach to football at Saints has seen her take on roles on both the Senior and Junior committees.

She was instrumental in setting up and now running our Facebook and Instagram sites, liaising with our Coaches and Managers and the College for weekly content.

Jo is an expert in Dribl and previously Compman and goes to extraordinary lengths to ensure everyone is conversant with their use. She avails herself 24/7 to answer questions including coming along to games where Managers are having problems.

At the start of each year Jo can be seen down at Gradings, giving out bibs, answering parents' questions, ensuring that all is taken care of, and we have things in order. A great first impression with new parents is important at gradings!

Jo ensures that all Coaches and Managers have her phone number and is their reference point for borrowed players and playing rules. Jo also takes it upon herself to be a reference point for any injury claims and actually makes house calls to assist with form completion.

Jo is Manager of one of our Junior teams in which her youngest son plays, and then supports her oldest son in the afternoons while at the same time taking numerous "football" phone calls throughout the day.

Jo passionately and persuasively involves herself in recruiting Coaches and Managers for our teams, at times providing lower division teams with two Managers and two Coaches.

As if Jo doesn't have enough to do, she donates an enormous amount of time and energy into Fundraising. Her achievements and ideas in organising and running thoroughly enjoyable evenings, not to mention raising significant funds to help football are just outstanding. Anyone who has run such an event understands the enormous amount of time and effort this takes.

We are so fortunate to have a person of Jo's caliber on our team and are extremely thankful to her and her family for their support, understanding and encouragement as she volunteers so much of her time and effort for the love of Saints' football.

The Avalon Soccer Club has been very lucky to have someone like Jacinta Newcombe as a volunteer for many years and I can't think of a more worthy recipient for the MWFA Meritorious Service Award.

## Robert Brennan - MWFA

In addition to his contribution to our sport as an active referee, Rob served on the Committee of MWFA for a decade. He was initially Vice President Juniors from 2009 to 2010 and subsequently served as President of the Association from 2011 to 2018.

I note Rob's length of service as President is only surpassed by Fred Alder, MWFA's Foundation President from 1949 to 1965.

During his time on the Committee, Rob was a passionate advocate for all referees and consistently demonstrated his commitment to the development of refereeing in Manly Warringah. As President, Rob worked closely with MWFA to ensure positive outcomes for refereeing and officiating more generally.

One of Rob's more significant legacies was the engagement of a paid Administrative Officer, responsible for ensuring MWFA was able to appoint referees to the games it is tasked to appoint to. This, coupled with an investment in a professional appointments system, has resulted in consistently high appointment coverage rates for each subsequent year.

Rob was also successful in negotiating grant funding from MWFA which contributed towards the cost of new communications equipment for the Association. This has improved the quality of officiating at Premier League and AL1 level (men and women) and this technology is now also being used as a mentoring tool with junior referees.

Another initiative established by Rob was the 'referee exchange program' with Ku-ring-gai and District Football Referees Association which saw Premier League referees from each Association gain additional experience in different competitions.

I understand Rob was also heavily involved when the team referee system was implemented in Manly Warringah, as he was keen to ensure those games had an appropriately qualified referee available to officiate. As a result, MWFA, with some 600 active referees, is one of the largest referee associations in NSW.

To recognise his significant service to MWFA, Rob was awarded Life Membership of the Association in 2018. This was unanimously supported by all members at the 2018 AGM and there was no shortage of speakers willing to attest to Rob's positive impact on MWFA and refereeing more generally.

Outside of his contribution to refereeing, I note Rob is a long term member/player with Wakehurst Football Club and that he has also been involved in coaching and grading at his club from time to time.

MWFA has undoubtedly benefited from Rob's service and as such, recognition by way of a Meritorious Service Award would be abundantly appropriate.

## Peter Robson - MWFRA

On 19 July 2021, Peter reached the milestone age of 90 and also 43 years as an active referee. At 90 years of age, Peter has been confirmed as the oldest active referee in NSW and I understand he may also be the oldest active referee in Australia.

Despite his advanced age, Peter has continued to referee junior games on a regular basis throughout the season and I note he even refereed a full 90 minute lower division Men's AL match when the team referee did not show up.

I note, in 2006 when Peter was 75 years of age, he was awarded Senior Referee of the Year! It is remarkable to consider that he has gone on to referee for another 15 years. Incredible!

In addition to his lengthy career as a referee, Peter has served on the Committee of MWFRA. His first position on the Committee was Secretary in 1990. He subsequently served as Treasurer from 1991-92, again as Secretary from 1993-97 and ultimately President from 1997-99. He also briefly served as Gear Steward in 2002.

It was during this period of service that Peter was awarded Life Membership of MWFRA (in 1995) to recognise his contribution to the Association.

Throughout his lengthy career, Peter has been heavily involved in the development of referees. As a course presented/instructor, he was responsible for countless new referees completing the Level 4 Course. More recently, he has also assisted with the mentoring of junior referees.

Peter is incredibly proud to have been able to continue to referee for so long. Indeed, when he accepted his trophy for 40 years' service as a referee, Peter said he would love to see people referee for as long as they can, as he has.

On a private note, Peter has suggested to me that 2021 may be his last season as a referee. To receive a Meritorious Service Award in 2021, the year of his 90th birthday, would mean the world to Peter.

It would also be a fitting final tribute for an incredible man who has devoted so much time and energy to our sport for over four decades.

## Chairperson's Report

As my term as an elected director of the MWFA Board comes to a close, I would like to lookback on what a frustrating and testing time the past 3 years have been. After 2020 and 2021 were severely disrupted by Covid, we all looked to 2022 with a sigh of relief, it was not be, as the rains came.

On behalf of the MWFA, I sincerely thank all our club committees and their members for understanding and working with us to get through these most difficult of times. We got there in the end, with the vast majority of people reasonably happy.

I must also thank our CEO, David Mason and his administration staff along with the Coaching development team, for their dedication and patience to constantly rise to the unexpected challenges that came their way, literally week after week. We got there in the end, the result being lots of smiling faces on our first Grand Final Days in 3 years. Well done and thank you all.

Whilst the MWFA have had their similar challenges, they too must be thanked for their efforts in arranging referees to constant game changes. The MWFA are working closely with the MWFA to create a better model to recruit and retain the next generation of referees. We are lucky to have a range of top quality, senior referees at our disposal and I can see a pool of young talented referees coming through the system, that in the future we will all see the benefits of. It is extremely important that we all need to assist in this process by ensuring we get rid of referee abuse from players, coaches and spectators. Remember they are people enjoying their sport.

To the various MWFA Committees, being the Registrars, Grading, Disciplinary, Appeals, Competitions Committees and our Coaching Development Team, you have all done an amazing job. Thanks to you all, I hope we see you all volunteering again in 2023.

Finally, I would like to thank my fellow MWFA Board members for the time and effort you all put into guiding the MWFA into being not only the biggest, but arguably, and most importantly, the best association in the country. The decisions we make may not suit everyone, however, I can assure you all that our decisions are always based on what is best for the good of the game in our association.

I hope you and your families have a great break, enjoy your festive season and we all come back to a bigger, brighter and better season in 2023.

## 2022 – Singing in the Rain

There is no doubt that the 2022 season tested the patience of everyone in the Manly Warringah Football Association with the rain throwing up challenges following two years of COVID disruption.

But challenges and obstacles also breed resilience and satisfaction when we come out the other side and the sight of Cromer Park full to the brim for three days of Grand Finals was a sight for sore and tired eyes.

Bigger crowds than ever before at all three days, which was an illustration of the exclamation point Grand Final day puts on the story of a season.

After three years it was wonderful to see young and old, men and women take out Grand Finals instead of calculations defining the winners and losers.

Before congratulating the winners, it is important that we thank and recognize the efforts of so many people to allow 19,034 players to get on the pitch when we were faced with not one, but two, terribly timed rain events that caused chaos way beyond the football fields and community.

A rain event that sunk 12 of our fields on the weekend at the start of the season made life tough for the Northern Beaches Council to mow grass, erect posts, and changeover from summer to winter sports. Another long period of rain towards the back end of the season made it difficult to catch up matches.

I'd like to start by thanking the MWFA office (particularly Lee-Anne Sestanovich and Alysha Rowe) as well as MWFA appointments officer Sigrid Mulherin, who worked tirelessly late at night and all weekend for many weekends to get as many games played as possible.

It was a massive effort and well assisted by the Club Presidents, Committees, and volunteers who were understanding and supportive.

While decisions made did not please everyone, I have no doubt that we made decisions with the intention of doing what was best for the bulk of players and in the best interest of football on the Northern Beaches.

It is also important to thank and acknowledge the efforts of the Northern Beaches and Mosman Councils for the work they did to assist as much as possible given their difficult pinch point of allowing residents to play as much sport as possible while preserving the fields.

Two back-to-back COVID interruptions did throw up a dip in players numbers for 2022, which was felt right across Football and other sports in NSW.

In 2022, we had 19,034 players, which was 792 down on the record high of 2021 but still more than 648 players higher than the season before (2020).

One of our success stories in 2022 was breaking through the 35% mark for the percentage of female footballers in the MWFA. We now have four clubs that boast female numbers of 40% or higher and that figure is sure to continue to grow in 2023 when Australia co-hosts the FIFA Women's World Cup.

It is no coincidence that female teams led the way in the Football NSW Champion of Champions tournament, which was held for the first time in three years. Four MWFA teams from four different clubs made the Grand Final with the Manly Allambie W12, Pittwater RSL W15, CC Strikers U18s and the Seaforth Women's Premier League teams making it through to the big day.

The Manly Allambie W12s went down 1-0, the CC Strikers U18s lost 2-1 thanks to a goal with just two seconds left to play but the Pittwater RSL W15s and the Seaforth WPL team were declared NSW Champions of Champions.

The Pittwater team dominated the final against Emu Plains, winning 3-0 thanks to goals from Chloe Currie (2) and Maya Atkinson.

The Seaforth Women's Premier League team then completed a clean sweep of trophies in 2022 by defeating Coogee United 2-1 with goals to Sophie Tetley in the 2<sup>nd</sup> minute and Julia Murphy, who scored an extra time golden goal winner in the 110<sup>th</sup> minute.

The Champion of Champions victory came after the Seaforth girls, led by coaches Chris Wood and Riley Kilpatrick, took out the MWFA Cup (midweek knockout), the league championship and the grand final, capping off an almighty year for the girls.

On Grand Final day, the Seaforth Women's Premier League team defeated a gallant Manly Vale outfit 2-1 in a thrilling decider in front of a huge crowd.

Congratulations also to the Pittwater Men's Premier League team that won the league championship but were knocked out of the Champion of Champions by eventual Champions Glebe Gorillas. On Grand Final day Pitts triumphed 2-1 over Narrabeen.

The Women's AL1 grand final saw Curl Curl defeat Manly Vale 1-0 while the men's AL1 decider was won 2-0 by Harbord Football Club over Dee Why Football.

Congratulations also goes to Manly Vale Football Club who won promotion back into the Men's Premier League for 2023 while Forest Killarney were relegated back to the AL1 competition.

Grand Final days were also a crowning glory for one of football's greatest achievements in 2022 with the newly renovated Manly Warringah Football Club "The Far Post" proving to be a fantastic way for spectators to watch the grand finals and celebrate after their victories.

Such was the popularity of The Far Post, the 'house full' sign had to go up at different stages of the men's and women's grand final days.

The Far Post recently completed its first full year in operation and has been a great success. The facility hosted MWFA and Manly United events, club meetings, Club Presentation Night's for five MWFA Clubs, parties for local players and a venue for charity evenings and a post-match venue following MWFA and Manly United matches.

As was widely promoted when the building redevelopment was finished, The Far Post will be putting more than \$30,000 back into the MWFA and \$30,000 back into Manly United to ensure the profits go back into local football.

A big Thank You to anyone who attended The Far Post at Cromer Park and long may it continue to be a hub for local football.

I would also like to extend a Thank You to the members of the various Committees that assist with the running of our competitions. The Competition Committee, Registration and Grading Committee (including our two Registrars Peter Auld and Annette Burgoyne) and Disciplinary Committee all functioned well in 2022 and helped us throughout a challenging year.

I would like to thank the dedicated MWFA staff for their work in 2022 as COVID-19 was followed by the rain and the frustrations that come with disruption. To Lee-Anne Sestanovich, Angela Crandell, Eugene Lawrenz, Alysha Rowe, Sophie Tarrant-Foder and Sigrid Mulherin (MWFA), thank you for your work throughout the year.

The MWFA, led by Toby Williams, have also put in the hard yards in 2022 with matches constantly being rescheduled. It is fair to say that we need to work together with the MWFA and the 17 Clubs to bolster our referees ranks. We will have some plans for 2023 to arrest the gap in match coverage.

But the biggest thanks goes out to the volunteers, committee members, presidents and delegates at the 17 Clubs and the MWFA. A lot of people have put in a huge effort to be able to coordinate the MWFA Clubs and competition and we could not do what we do and enjoy our weekend football matches without you.

The MWFA would also like to acknowledge the success of Manly United in 2022. On the field the Men's First Grade side came within one goal of claiming the Football NSW NPL1 Premiership and ultimately went down 2-0 to Blacktown City in front of 4,000 spectators at CommBank Stadium in the Grand Final.

The boys U16 AYL team was also crown Premiers and Champions, capping off a tremendous season for the team and the entire AYL program.

The staff, coaches, volunteers, and Board work hard to ensure we have a clear and vibrant pathway for the 500 local juniors who play for Manly United and MWFA representative teams, with the overall health of the Northern Beaches eco-system the priority.

On top of the success of the players at Manly United, we are also in a position to celebrate an enormous number of local players who have moved further up the Football Australia talented player pathway to represent A-League men and women clubs as well as several National Teams at all levels.

Remy Siemsen (BTH and Manly United) and Gianni Stensness (CC Strikers, Pittwater and Manly United) played for the Matildas and Socceroos during the last 12 months with Harbord and Manly United junior Ally Green also making her international debut for the New Zealand women's National Team.

On top of that, no less than nine local MWFA players were selected in Junior National Teams for tournaments, tours, and camps having also played for Manly United before moving onto higher honors.

On the boy's side, Patrick Wood (CC Strikers), Lewis Miller (Pittwater) and Cameron Peupion (Wakehurst) represented Australia at the U23 AFC Asian Cup this year, Jacob Brazette (Curl Curl), Jacob Middleton (CC Strikers) and Lachlan Middleton (CC Strikers) won Australian U17 selection.

On the girl's side, Kahli Johnson (Dee Why and CC Strikers) led the line, representing Australia at the 2022 U20 FIFA World Cup in Costa Rica. Seaforth's Shay Holman was named Player of the

Tournament at the AFF U18 Tournament and Sienna Dale (Wakehurst) made the Australia U18 team later in the year.

On the club scene, Wakehurst junior Cameron Peupion continues to be the leading light, making his first team debut for Brighton and Hive Albion in the League Cup this year. Cameron is regularly playing in the Brighton reserves team and played 6 matches for the Australian U23 team at the 2022 AFC Asian Cup.

Siemsen and Green are also playing professional football overseas, contracted and playing regularly for AIK in Sweden (Siemsen) and Valerenga (Norway) in two top European competitions, as is Stensness, who is also in Norway playing Viking FK.

At last count we had eight players at A-League men's and women's squads: Harry Van Der Saag (CC Strikers and Narrabeen / Adelaide United), Jake Hollman (Seaforth / Macarthur Bulls), Aaron Gurd (Wakehurst / Sydney FC), Corey Hollman (Seaforth / Sydney FC), Patrick Wood (CC Strikers / Sydney FC), Shay Holman (Seaforth / Sydney FC), Calem Nieuwenhof (Curl Curl / Western Sydney Wanderers) and Kahli Johnson (Dee Why and CC Strikers / Western United).

There are a further 35 young players who are playing NPL Youth football with Sydney FC, Western Sydney, Central Coast or Macarthur Bulls.

The MWFA football Clubs and community continues to provide our players with the opportunity to be the best players and people they can be and the presence of players who started their journeys at MWFA Clubs, through Manly United to high levels is something we should all be proud of and celebrate.

We look forward to a return to normal season in 2023 and 12 months where we can start talking football and matches instead of COVID and rain.

Over the coming months we will once again host a Pararoos international match between Australia and the USA and then we will dive headlong into the MWFA Women's World Cup in 2023, where we will be using the excitement around the Women's World Cup to drive growth amongst young female, football players, coaches and referees.

# Finance Report

Well another year has passed and the while the impact of COVID has reduced, mother nature decided to challenge us with one of the wetter winters in recent years that has continued to challenge the MWFA and its clubs with different issues to maximise the number of games that were played this year.

The MWFA has reported an operating loss before development levy revenue and expenses of \$120,419 for the year ended 30 September 2022 (2021: \$32,471 Loss). In 2022, an additional net \$151,748 was collected for the Facility and Sportsfield development fund as compared to \$175,004 in 2021.

The key points to note in this year's results are:

- Player numbers reduced to 19,034 from 19,826 in 2021. Given the disrupted seasons 2020 and 2021 for COVID, these player numbers were in line the Board's expectations.
- We didn't receive any government assistance via the JobKeeper grants and Cash Boost programs as the MWFA elected not to apply for any additional JobKeeper and Cash Boost grants in the current year (2021: \$27,394). These funds relate to money from the 2020 financial year that were received in November 2020.
  - Administration expenses increased to \$640,344 (2021: \$571,216) as costs commenced returning to pre COVID levels
  - FNSW costs increased due to no discounts being provided in 2022
  - Referee fees paid increased due to more games played requiring referees
  - Sport field hire costs increased as the COVID discounts offered in 2021 were not repeated in 2022.
  - The development expenses were \$38,592 (2021: \$23,256) for 2022 related to a number of storage sheds built by Northern Beaches Council that were funded by the MWFA. We will monitor the rollout of storage sheds in 2023 and beyond.
  - We have allowed for \$85,000 in the 2023 Budget for the Passmore lights that is expected to be completed by the end of 2022 which was originally budgeted to occur this year.

Of the \$750,000 set aside for discounts for 2022 playing fees, \$717,979 was shared with all players via a one-off discount returned and remaining \$32,021 was returned to profit and loss 2022.

## Net Asset Position and Budgets

The MWFA's net asset position has continued to improve as a result of the improved trading result.

As at 30 September 2022, there was \$768,123 (2021: \$608,455) held in the Facility and Sportsfield development fund. This balance has increased as we received \$190,340 in development income offset by payments for field equipment payments for 5 storage shed in conjunction with the Northern Beaches Council.

The MWFA investment in the Cromer Park building is protected by a Memorandum of Understanding that ensures that this investment will be secured by an increased mortgage over the Cromer Park Clubhouse building and land and an agreement that the MWFA will not pay any rent for the use of the offices at Cromer Park for the next 24 years.

Given the extensive capital works that Northern Beaches Council have been undertaking on our playing fields, the MWFA Board continues to review of our strategic goals that will set the parameters for future budgets and use of the Facility and Sportsfield levies previously collected.

#### Other Matters

We have received the draft audit closing letter from Paul Turner of Turner Watson Corporate Service, and they have not identified any significant matters to be addressed. There are some minor process improvements that we will implement soon.

Given the financial result in 2022, the MWFA Board has resolved to keep the vast majority of registration fees for 2022 the same as 2021 levied for MWFA purposes but has passed through a small increase for FA and FNSW fees.

Lastly, I would like to thank David Mason and Derek Turner for their efforts and support over the past year.

## **Coach Development Report**

2022 was my fourth year with MWFA, and like everyone else, it was a frustrating season after the previous two COVID interrupted years, with poor weather resulting in a seemingly endless challenge of needing to reschedule (sometimes more than once) so many of our Coach Development events and club visits.

On a more positive note however, we were able to introduce some very important and valuable new projects this year which were all very successful, and we can now review and improve these even more for next season. Some of our official course numbers are down compared to previous years, but in other ways we actually increased the total number of coaches we were able to support and quality of the support being provided by taking a different approach which is outlined below.

### **COMMUNITY COACHING COURSES**

We were still able to offer 19 official community coaching courses this year catering to almost 280 coaches, including 60 female coaches, many of whom completed another successful Female Only MiniRoos course presented by female Coach Developers. We were again able to add to our team this year making it a total of 16 qualified presenters, while several of our Coach Developers also progressed in terms of the courses they are now signed off to present.

I would like to thank all MWFA Coach Developers for their efforts and contributions this year, as every coach who attends a course with us appreciates having the number as well as quality of people available to learn from that we provide. I'd also like to thank all of the clubs who hosted them, or even just helped with promotion.

### **COACH WORKSHOPS**

Throughout the year we were able to run 18 unofficial coach workshops at both Cromer Park and various clubs, which was the highest number we've organised so far. These gave almost 180 additional coaches ongoing guidance throughout the season to complement their official course, or as their first exposure to coach education. Our workshops typically focus on specific topics, and are often run using a local club side as a demonstration team.

I'd like to thank all of the players who participated in these sessions, as well as all the coaches and clubs who organised them.

### **ADVANCED COACHING COURSES**

We were able to kick off the 2022 season with another Football Australia C-Licence, albeit with a new structure and content to deliver. 18 local coaches were able to progress through the first stage of the advanced coaching pathway, and I'd like to thank Nick Robb in particular for his contribution and support as an assistant instructor. We will again be hosting another C-Licence in October-November, as well as one early in 2023, and both of these are already full.

## **FEMALE COACHING SCHOLARSHIP PROGRAM**

Izzy Keech (Dee Why) and Emily Wood (Seaforth) were awarded our Female Coaching Scholarships this year, as part of the MWFA's commitment to increasing the number of female coaches on the Northern Beaches, and support provided to female coaches. Both went on to complete the C-Licence and do a great job coaching girls teams at their respective clubs, as well as supporting our Female Only MiniRoos course.

Moving forward, we will be looking to expand our scholarship program to include even more opportunities for female coaches to develop themselves as well as having access to regular mentors, to not only lead into the Women's World Cup, but to also establish a long-term program that is sustainable and keeps female coaches involved in the sport in various capacities.

## **FUTURE COACHES PROGRAM**

The Future Coaches Program was very successful again in 2021, bringing together coaches with a wide variety of backgrounds, experience, and ambitions, but who all have one thing in common: the desire and commitment to becoming a better coach. 17 coaches in total, including 5 returning from the previous year as mentors, were taken through an intense personal development program, to help each of them reach their potential and achieve their coaching goals, along with several special guests sharing their experiences and advice. Many of the coaches who participated in the 2021 program have since taken on new opportunities, including working for MWFA as a Coach Developer, coaching at Manly United, working in Football Australia programs, or taking on new Coach Development roles with their clubs.

## **PARENT EDUCATION**

We ran a record 8 Game Leader (volunteer parent referee) workshops this season, although the total number of participants who attended was back down to a more normal number after a very big jump last year.

I was also able to introduce a Parent Education Workshop for the first time at 3 clubs, which were very well received, and we will look to offer more of these next year.

Thanks to all of the clubs who hosted and promoted both of these workshops, as the value in getting parents on board and helping them understand what we're doing and why is a very underestimated.

### **Community Coach of the Year: Chris Dolman and Aaron Millard**

AUG 18, 2022 | COACHING NEWS, NEWS

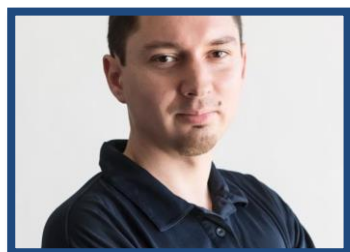

## CCC PROGRAM

In 2022 we reinvested a significant amount of C-Licence funding that was going to waste or not being utilised effectively into hiring 4 part-time Coach Mentors so we could have a bigger impact where it's needed. As a result, we were able to visit and directly help 100 coaches at their own training sessions and matches throughout the season, as a compliment to the support offered by CCCs. Additionally, several CCCs joined us for these club visits, for the sake of developing their own mentoring skills. The feedback received from this initiative has been overwhelmingly positive, with coaches appreciating the face to face contact and guidance with their own team in their own environment. This has allowed us to support coaches better with ongoing development after attending courses, or as a way to encourage them to undertake coaching courses. We will still offer some limited C-Licence scholarships moving forward, but we will be focusing heavily on expanding our reach and supporting even more coaches in 2023 and beyond, including hiring one or two more Coach Mentors, and also recognising even more coaches who are doing a good job with our 'coach of the week' website feature. I would like to thank and recognise all of the hard work CCCs (Club Coaching Coordinators) put in this season to support their coaches and players, as well as facilitating our club visits. As I always say, the most important thing we must all appreciate, make sure everyone else understands, and ensure that the right people are in place to facilitate, is that:

***Coach development is an investment, not a cost.***

To finish, I'd like to again thank everyone who supported Coach Development this year, and I look forward to working with you all again in 2023 where we can hopefully make even more progress. Have a great summer and stay safe.

## Judiciary Report

Disciplinary Committee are responsible for;  
Judiciary  
Protest & Disputes  
General Purpose Tribunal

The third challenging season previous two being COVID and this season the weather resulting in a few challenges.

As has been the case for previous seasons the abuse of match officials from players, team official and spectator is at a level that is not acceptable, this needs to be addressed at judiciary each week. The suspensions handed down this season shows the message is still not appearing to be getting through to the players, team officials and spectators.

We continue to publish suspensions each week on the web site, hoping this would make players, team official and spectator aware of the seriousness of being sent off.

Thank you to the panel that give up their time every Wednesday night.

David Wilson – Chairman  
Tony Cavalieri  
Angie Carey  
Mark Gale  
James Raphael  
Chris Tomlinson  
Craig McBurnie – MWFRA Representative

Alternate Members:

Leon Brilman  
Bruno Cara  
Iain Church

We also had a member from each MWFA club sit on the panel on a weekly basis to assist clubs and players to get a better understanding of how the Disciplinary Committee works. This was beneficial to all and will continue next season.

**Lee-Anne Sestanovich**  
Judiciary Secretary - MWFA

This was mainly due to the provision of \$750,000 for a player rebate to all registered players for next season.</p> <p>The Balance Sheet included the contribution to the Clubhouse development that was considered a worthwhile financial investment, noting that the mortgage will be updated to \$980,348 reflect this. Any profits will be distributed as according to the Memorandum of Understanding signed previously.</p> <p>Player numbers had increased to 19,862 during 2021. Fees would be kept the same for next season, except for a \$4 increase for Senior players due to a Football NSW insurance increase of \$4. This has been managed by economies of scale.</p> <p>This was adopted as part of the Annual Report under agenda item 10. There were no questions from the floor.</p>	
<b>Item 11</b>	<b>Adoption of 2022 Budget (including consideration of Honorariums)</b>	
	<p>Joseph Sorbara highlighted the main aspects of the proposed 2022 budget that included fees remaining unchanged for next season, other a \$4 increase for senior players to cover for a rise in their insurance. Additional funds had been provided to the Judiciary sub-committee due to an extra member joining.</p> <p>Development Levy funds would be used for lights at Passmore Oval; storage sheds; and the purchase of nets and mini goals for clubs to play matches for juniors. An aim for next season was to develop smarter and better ways to utilise these funds to progress the game and for the benefit of all.</p> <p>There would be an additional staff member recruited in the Office to focus on smarter ways of internal communication and to produce better content.</p> <p>An overview of the recent Board's strategy meeting was provided, with the aim of improving the game moving forward.</p>	

	<p>Clubs were also encouraged to send delegates to future Club Forums to assist in proposals and relaying information.</p> <p>In response to a question regarding referees Joseph outlined that following discussions between the MWFA and MWFA to assist with attracting and retaining referees, especially younger referees, referees would earn more next season – with those in the 12-16 year old age bracket to get an increase of 25%, and appointed senior referees between 5-10%. Team referees would not get any increase. This had already been included in the budget for 2022.</p> <p>It was noted budget caps were no longer mandated by FNSW but a recommendation for Community Referees.</p> <p>In relation to the O35 Friday night competition, this would go ahead depending upon registration numbers and grading next season. The O35/1 competition would be held on a Saturday and paired with O45/1 and O35/2 to assist with refereeing.</p> <p>The Board had endorsed the 2022 Budget and warmly congratulated Joseph for his efforts in preparing the budget.
